

PREFACE

- Welcome to an exciting adventure as we journey together on the spiritual pathways that will lead to fulfilling our eternal destinies
- Our goal is to possess our full inheritance as God's sons both in intimacy and rulership and so answer creation's groan for freedom and restoration

The purpose of this manual

- It is to be used for the explicit purpose of equipping the Joshua generation to become a habitation of God and a gateway of heaven living in the dual realms of heaven and earth.
- This manual can be used by individuals to develop their own supernatural lifestyle with God but it is really intended to prepare individuals to disciple others.
- Becoming who God intended you to be in relationship with others

Our desire is that members will begin to mentor others using the manual. This is not mandatory and anyone can just use the manual for personal growth.

This material is not to be adapted, shared or used outside of the context of either individual use or mentoring others who are part of the Engaging God programme.

- The manual remains the intellectual property of Freedom Trust, which holds all rights.
- The manual can only be used whilst continuing to participate in the Engaging God discipleship process.

Financial openness

- There is a £5 per month subscription charge
- This charge helps cover the investment of time and resources into the development of the manual and administration of the groups.
- There will be many resources that will be made available to group members that are usually only accessed through purchasing various teaching series.
- When you leave the programme you will have no further access to the materials but hopefully a lifestyle to be lived
- For those wanting to mentor others they can also charge a monthly fee for their time.

- Each mentor can also receive a maximum of £5 per month from each person they mentor if they so choose.
- The maximum cost would therefore be £10 per person per month if the mentor charges a fee
- You would be encouraged to recruit others to mentor 1 to 1 or in groups of up to 12.

Group Use

- For those wishing to use the materials to mentor larger groups e.g. churches, ministry schools there would a monthly contribution there are flexible group rates that apply.
- Please contact us for details
- The materials can continue to be used while you remain in the programme
- If £5/£10 per month is not affordable please contacts us
- There could be a scaled costing for those in poorer countries or suffering financial hardship
- It is important to value something and to sow into the future.
- We intend to continually update and develop the materials.
- For those wishing to further sow financially into the development of the manual at this stage this can done in a number of ways.
- The best way is via PayPal using the following account admin@freedomtrust.org.uk
- The next best way is using the PayPal donate button on our resources website www.freedomtrust.org.uk/AR

This does mean that we pay PayPal fees but it is simple and easy to do with a credit or debit card.

- This is an exciting opportunity to be involved in developing this manual
- Sowing into it will enable us to consider having it translated into other languages and developed into a written manual with resources for those without computers
