

# Terms and Conditions for *Engaging God*

By subscribing to the *Engaging God* programme you agree to the following terms and conditions:

The material is designed to be used for the explicit purpose of equipping the Joshua generation to become a habitation of God and a gateway of heaven by living in the dual realms of heaven and earth.

The context of using this material is designed to be that of being disciplined, mentored or prepared to mentor others, thus raising up a Joshua Generation.

You may only continue to use the material while you remain subscribed to the programme, and you agree to delete any downloaded files and destroy any printed copies if your subscription is ended.

This material is not to be adapted or edited in any way.

Individual modules or elements may not be used within other programmes without express written permission from Freedom Apostolic Resources / Freedom Trust.

The resources remain the intellectual property of Freedom Trust, which holds all rights at all times.

There is a subscription charge (currently £5 per person) to use the material. This entitles the subscriber to use the material for their personal growth and development. We will seek to keep any future increase to a minimum, and will notify you of any change to the subscription charge by email.

If the subscription charge is not affordable in your situation, please contact us.

You may not share the material with anyone else unless they are also subscribers.

You may not mentor anyone else using the material unless that person has subscribed themselves.

If you mentor others you may also charge up to the same amount as the subscription charge (currently £5 per month) to each subscriber you mentor if you wish. This is not mandatory. Any charge for mentoring is the responsibility of the mentor to arrange.

All individuals being mentored using the materials must themselves be subscribers.

There is a maximum cost of 2 x the subscription charge per person per month (made up of the subscription charge payable to Freedom Trust, plus a similar amount payable to the mentor if applicable). The maximum cost at present is therefore £10.

Anyone wishing to use the materials to mentor larger groups (e.g. churches, ministry schools) should contact us directly for group registrations and possible discounts.

You may withdraw from the programme at any time by cancelling your subscription payment with PayPal and letting us know by email. No refund will be made in respect of any cancellation.

The included resources in their entirety, including text content, graphics, layouts, and all source code belong to Freedom Trust and/or LearnWorlds and are protected by intellectual property rights and copyright law. Copying, redistribution, use, or publication, whether free or for monetary gain, are strictly prohibited outside of the conditions issued within.
