

Bill and Marsha Burns. 2014—A Year of Prophetic Alignment by BILL BURNS:

In 2012 God began to reveal His divine government to the hearts of those who desired to live under His rule.

In 2013 the Lord brought His order into the lives of those willing to live under His rule. Divine order has been established among His people.

2014 will be known to many as the Year of Prophetic Alignment. In this season the Spirit of the Lord will align His people with His purposes. This alignment will be brought by way of revelation of God's purposes (plans) for individuals. These revelations will come through dreams, visions, prophetic words, signs and wonders.

We must stand watch and listen so that the opportunities for alignment are not missed. When the revelation of God's purpose comes, you will be aligned, brought into spiritual positioning, to go through the door that is being opened to you.

Spiritual Doors will open in this season that will bring you into a new spiritual landscape. It will become a place of elevation—a higher place than you have been before—a place of purpose.

Revelation 3:8 "I know your works. See, I have set before you an open door, and no one can shut it; for you have a little strength, have kept My word, and have not denied My name."

Once this door is opened to you and you enter into this spiritual environment, you will find the pathway that leads to the fulfilment of your destiny.

The Pathway

Some time ago I had a vision of this pathway that leads to spiritual understanding. The pathway went up a mountain and was called the "Ancient Pathway." I understood that this was the pathway that the prophets of old walked on. As you begin to follow this path, you will see more clearly that which the Lord is showing you, and you will become more supernatural than you are now.

The doors will open, and the pathways revealed in this season because this is a season of divine fulfilment.

Isaiah 42:16 I will bring the blind by a way they did not know; I will lead them in paths they have not known. I will make darkness light before them, And crooked places straight. These things I will do for them, And not forsake them.

A Season of Transformation

This will be a time in which great grace will be on those who follow the path that the Lord has established for them. There will be designated places on the pathway that will become flash points of God's glory that will transform them.

2 Corinthians 3:18 But we all, with unveiled face, beholding as in a mirror the glory of the Lord, are being transformed into the same image from glory to glory, just as by the Spirit of the Lord.

This transformation will align us with the mind of Christ (1 Corinthians 2:16). Our thoughts will become more Christ-like.

Romans 12:2 And do not be conformed to this world, but be transformed by the renewing of your mind, that you may prove what is that good and acceptable and perfect will of God.

A Season of Restoration has begun and will continue into 2014. The first three months will become key months in which to believe for restoration.

December 2013 Small Straws by Marsha Burns:

The process of restoration has begun. Move with it in faith that what has begun will come to a full completion. Trust Me to help you move forward with strength and in the power of My Spirit, says the Lord. Refuse to allow fear to derail your progress. Stand unwavering and be resolute. Be renewed in faith, in hope, and in peace. The work of the enemy to tear you down has been formidable, but I will restore what has been torn down. I will strengthen what has become weakened through attacks on your body, soul and spirit. Yield to My power to build you up and prepare you to fulfil My purposes in your life. Yours is to overcome the despair that has developed as a result of relentless difficulties and begin to look to better days, says the Lord.

In a vision I found myself in an old house that was in need of repair. I heard the bells of destiny and was suddenly engulfed in a whirlwind of the Spirit of God that removed the structure of the house from around me. There I stood in mid-air with the things of the earth that weighed me down removed from me. The light of God was all around me and above and beneath me. I felt light as air; without hindrance. I was aware of a unity with God that manifested without any effort on my part. It was beautiful, exhilarating, refreshing and revitalizing. My youth was restored. And, I heard the voice of the Lord: "Beloved, I see and know your struggles and the weariness you have experienced. But, I tell you truly that a time of restoration and healing is upon you. Relax and receive all that I have for you." Isaiah 40:31 But those who wait on the LORD Shall renew their strength; they shall mount up with wings like eagles, they shall run and not be weary, they shall walk and not faint.

A Season of Perfection

Seven is God's number of perfection, and 2014 has two sevens in the number 14. Two sevens indicate a double portion. The double portion will begin with the anointing and will manifest in various blessings in this year.

Generational blessings will come to many this year because the number 14 belongs to this purpose and this time.

Matthew 1:17 So all the generations from Abraham to David are fourteen generations, from David until the captivity in Babylon are fourteen generations, and from the captivity in Babylon until the Christ are fourteen generations.

We are coming into a set time in which the Lord's favor and blessing will come to His people.

Psalm 102:13 You will arise and have mercy on Zion; For the time to favor her, Yes, the set time, has come.

Watch and Learn

The Lord often asked His prophets, "What do you see?" In this time it will be important to watch; to see what we are being shown.

Habakkuk 2:1 I will stand my watch And set myself on the rampart, And watch to see what He will say to me, And what I will answer when I am corrected.

The Lord is going to use your circumstances to show you things that need to be corrected. Our circumstances will reveal our motives and attitudes as we interact with our circumstances. Allow the Lord to use them as a

classroom. Watch, listen, and learn. He will bring both correction and victory into every situation that you are involved in.

Proverbs 4:10-13 Hear, my son, and receive my sayings, And the years of your life will be many. I have taught you in the way of wisdom; I have led you in right paths. When you walk, your steps will not be hindered, And when you run, you will not stumble. Take firm hold of instruction, do not let go; Keep her, for she is your life.

Signs & Wonders will also be seen and understood as we stand our watch. The Spirit of God will show us signs and wonders that reveal and/or confirm that which is coming into alignment with His Word.

Are You Prepared to leave the past behind and press into the glory of this new season? The apostle Paul encouraged us to do as he has done.

Philippians 3:13-14 Brethren, I do not count myself to have apprehended; but one thing I do, forgetting those things which are behind and reaching forward to those things which are ahead, I press toward the goal for the prize of the upward call of God in Christ Jesus.

Small Straws (12/17): The season of adjustment is upon you, but you will have to mentally and emotionally let go of things that tie you to the past before you can move forward in My purposes. If you will take this step of faith you will come into a place of liberty and fulfilment that you have not known before. Trust Me to bring you through this awkward transition with great grace, says the Lord. All you have to do is be willing and flexible.

This Year Will Be:

1. A time of intense spiritual warfare, but you will have a more powerful anointing, which will enable you to have victory over your enemies.

2 Corinthians 2:14 Now thanks be to God who always leads us in triumph in Christ, and through us diffuses the fragrance of His knowledge in every place.

2. This season will be one of acceleration—things will move fast, so you will have to be found in a position of readiness to move with the promptings of the Holy Spirit.

Romans 8:14 For as many as are led by the Spirit of God, these are sons of God.

3. This will be a season of convergence when those things that have been ordained by God come together. When His Word comes together with His purposes in His set times, all things will become possible to those who believe.

Mark 9:23 Jesus said to him, "If you can believe, all things are possible to him who believes."

4. It will be a time in which you will need to set a watch and guard your heart.

Proverbs 4:23 Keep your heart with all diligence, For out of it spring the issues of life.

Our prayer must be:

Psalm 51:10 Create in me a clean heart, O God, And renew a steadfast spirit within me.

5. Hidden things that you have not been aware of will be revealed.

Isaiah 48:6 You have heard; See all this. And will you not declare it? I have made you hear new things from this time, Even hidden things, and you did not know them.

Things are not always as they seem to be. Some things are hidden in darkness behind the scenes. Now you will know that which is hidden, and you can then deal with it.

6. The Lord is aligning us with victory. Victorious mindsets will be established in us by the Spirit of God. Defeat and victimization will no longer be a part of your DNA. Divine health will come to those who ask for and believe it.

3 John 2: Beloved, I pray that you may prosper in all things and be in health, just as your soul prospers.

7. Supernatural provision will come to those who align themselves with God's Word and His purposes.

Luke 6:38 "Give, and it will be given to you: good measure, pressed down, shaken together, and running over will be put into your bosom. For with the same measure that you use, it will be measured back to you."

Conclusion

These are the things I have seen, and they are yours to receive. It was as though I was riding on a very fast train, and these things came into view from the window that I was looking out of. They are just glimpses of the future, and I have a sense that they will be expounded by the prophets in this coming season.

Have a blessed ride; it will be a fast one. So, I suggest that you buckle up because our Lord is going to put His foot on the pedal.

I hear the Holy Spirit saying:

"As you enter into this New Year remember My goodness and faithfulness. Keep your eyes on Me because you have never experienced or encountered what I am about to do in your midst before. Shake off all the past hurts, doubts, and failures and focus on Me. This is not a time to faint, grow weary, or doubt. It is time to believe and behold My promises and My ways. This is a day and season of new beginnings, I am releasing new starts for the weary and the wounded. New sounds, new ideas, and new vision is being conceived and birthed. You are stepping into new territory and new opportunity. I have called you as pioneers and visionaries. You are called where no worshipper has ever gone before. Great opposition may come in this season of transition but do not be distracted because your breakthrough is at hand. Do not let anything or anyone stop your pursuit of My presence and My Glory. Come be a people in passionate pursuit of my presence. The time is short and the labourers are few but there is both a remnant and a new army that is rising up in the days ahead. I will have My way and there is no person, system, or demon strong enough to stop Me. I am breaking through, pouring out, and releasing unprecedented anointing, favour, joy, and blessings upon My people."

"This is the year to get out of the boat and to walk on the water. I am calling My people to take leaps of faith like never before. You are about to go where others have refused to go if you will simply trust Me. Look up and do not be distracted by circumstances or even by what you have grown accustomed to as "normal". This is the season to act on My word. I am opening spiritual ears to not only hear but to fully understand what I am doing and saying in 2014. "

"I am pulling back the veil for people to see Me as I really am. My goodness, loving kindness, mercy, and love are about to be revealed even to those who have opposed Me and hated Me in the past. This is the year of the second chance for many who have even turned their backs on Me. I am a long-suffering God who wishes that no one should perish. This is a year of mercy. Do not be offended when I show mercy to those that you think deserve judgement. My mercy is a way out of trouble but it also stands as a door into triumph."

"There is a heavenly excitement that is about to spill over into the earth. The Hosts of Heaven and the Cloud of witnesses are cheering you on to victory in 2014. It is time to release what you carry. Release the righteousness, peace, and joy in the Holy Spirit. Take heart, be of good cheer, and manifest the Kingdom of God into the world around you. It is the desire of My heart to see you enter into greater realms of the power and gifts of the Holy Spirit. The earth is about to be covered with the knowledge of the glory of The Lord."

"As new doors open this year it is important that you allow the doors to the old way close. I am opening the doors to hearts, minds, regions, and nations this year like never before. The key to this New Year is obedience out of love. I am looking for willing hearts who offer up no resistance to My plans and ways. Enter into this year of open doors with praise on your lips and thanksgiving in your hearts. Walk according to My word, walk by the Spirit and live according to the Spirit, and my power shall rest upon you! My glory will be seen upon your face and many shall turn to me in this year of harvest! There are exceeding great days, great times, and great blessings ahead of you! So rejoice and be glad in it! My promises are great, My promises are true, and My promises are at hand! I am coming quickly to open doors of opportunity if you delay you will miss it. I am going to open a platform in public arenas, schools and universities to the gospel you must walk through these doors speedily. Do not try and do an old thing in a new way. This generation has seen it all already. They do not need another club, organization, or group. They need and want something real filled with the love, power and glory of The Lord."

"I am going to stretch forth my hand to heal, deliver, and do the miraculous. Do not fear, do not hesitate, and do not procrastinate. Be bold and of good courage and you will have great success. This shall be a year of great outpouring, spiritual renewal, revival, revolution and transformation. I am fanning the flames of passion in My people once again. A fresh fire of the Holy Spirit is about to fall upon the church. This is also going to be a year of unprecedented spiritual hunger and thirst. I am creating a new appetite for spiritual things and absolute truth both in the church and in the world."

"2014 is going to be known as the year of the return. I am turning the hearts of the prodigals and lost and will cause them to return to their first love. Generational curses are being broken off and the blessings of God are being returned to family trees. Finances are going to be returned to My people and the church for Kingdom ventures and soul winning. Things that were stolen are going to be restored and things that were lost are about to be found."

"I am breaking the shackles and cycles of delay and disappointment off of My people, and I am bringing you into a new season of victory. You will see Jehovah Nissi wave His banner of freedom and victory over you like never before. The season of struggle many of you have been walking through has come to an end. The seasons of not enough and just enough are over! Welcome to the more than enough of God! You have stood; you have given; you have sent, now rest in the promise, receive the promise, go with the promise, and grow with the promise."

"The past 7 years have been years of preparation for many of you. You have defeated your enemies in the wilderness and they can no longer invade your promised land. Look around you take note of your surroundings for they are about to change. The atmosphere has changed, the spiritual landscape has changed. 2014 shall be a year of the Recompense of God! Rewards for Kingdom work, Reparations for battles fought and restoration of things and people that have been stolen. This is going to be a year of the restoration of all things! Health, life, resources, relationships, finances and families will be restored. I will restore you better than your original condition. This will be a year of laughter. Great joy is coming into the house of God and ministry will be more fun than ever. I am restoring the joy in the harvest fields. Battle fields will become harvest fields in 2014."

"It is of the utmost importance that My people be about "The Father's Business". Stay in constant connection with the Holy Spirit and you will enter into frequent miracle moments. Keep your eyes on what I am doing as I make My move in you. I want to possess your every thought, move, and word. You were created to be My dwelling place and I am creating a culture of habitation in my church and for My people."

"There is substantial change on the horizon, what you have known as normal shall become alien to you. Do not hang on to the past, celebrate the victories, learn from the mistakes, and repent of the failures. Today God is making a clean break for all who are willing to cross over. Many will be launched into their destiny to do the work of the ministry in this next season."

"I am not playing games with my anointing and my gifts. Souls hang in the balance. Destinies hang in the balance. Do not settle for what is good, but pursue the best. Do not walk in the flesh, but walk in the power and leading of the Holy Spirit. Do not grow cold to the conviction of the Spirit and do not harden your hearts. Holiness is not an option for my people. I am not a God of mixture. You must not mix the Spirit and the flesh."

"It is time for My church to once again pull together. There will come new alliances established that will cross over denominational barriers. It is time for walls of division to be levelled and bridges of unity to be built. However this must be done without compromising scripture, sound doctrine, and the person and gifts of the Holy Spirit."

"A secret weapon is going to be released in this next year. It will begin with the children and the youth. I am releasing heavenly sounds and heavenly sights to capture this generation. It is time to train, activate, and release the sons and daughters to their generation. It's time! God is investing in and releasing a fresh anointing upon children and youth. They are containers and vessels of my glory. I have chosen them because they will despise man made religion and tradition. Children will be used mightily in healings and miracles in 2014. You must make every effort and move quickly to raise up training and equipping centers in the nations to gather the harvest of this generation. The Lord is going to invade public schools and secular institutions of higher learning with the supernatural. I am about to move by unconventional means to get the truth into the public sector. Young people will cause an "Uprising" in the spirit realm as they seek and speak the truth about falsities and lies being taught as truth by educators. The Spirit of God has sent out the call for Joel's army to come forth. This has been prophesied for years but NOW is the time!"

"I am releasing sounds that have been silenced through the centuries and I am releasing sounds that only I have heard and known until this day. I hear the Spirit of the Lord saying this is the season of release. The new sound for the new move is being sounded. It is not the sound of instruments but it is the sound of the daughters and sons. I am awakening the generation that will usher in the eternal Kingdom age. This sound and these sights shall cause great stirrings in the hearts of men and in the nations of the earth. There is an overflow of my Grace in this season and an overthrow of the enemy as well."

"I declare that this is a time of Kingdom acceleration. I am making up for lost time. What used to be done in 100 years will be done in one year. What has been hidden through the centuries is about to be revealed to you and through you. As you release the sound I will release the mysteries. Embrace it, possess it, reclaim it, redeem it says the Lord of Hosts!"

"A river of fire shall flow from the church and it will make a great impact upon the culture and society. A purifying fire shall be carried from the House of God on the winds of your worship and it will carry forth change to governments and economies. What I am doing in this next season will reverberate throughout the ends of the earth."

"Miracles shall be common in this year. Creative miracles shall be connected to creative purpose. By nature I am a creator and I am restoring the creative arts and media to their proper places in the body of Christ. As the painters paint, bodies will be healed, as the dancers dance deliverance will be released, as the musicians and singers release the sounds of Heaven revelation and creative miracles shall flow freely. Don't hold back, do not hesitate, enter in, press in, let every joint and gift supply in 2014."

Prophetic Reminders:

You are being armed with an arsenal of My ability and I Am adorning you with My favor like never before. Accept My word and align yourselves with what I have spoken. Anticipate the greatest hour that has ever existed. I Am awakening My church to a new day of harvest and purpose. It is time for you to activate the anointing I have put within you. There is a new freedom coming upon My people to be who I created and called them to be. I am driving out fear and releasing fresh faith. Be like the great men of old who obtained a word from God and framed their world with it. Fortify the body, fall into formation as I send you into uncharted territories of favor.”

“Greater glory, greater works and greater purpose is being birthed in the heart of My church. Grab hold of my promises and go forth with great confidence. My goodness shall be seen in the earth this year and many that are in darkness shall gravitate to the living God. I have given you glimpses of My glory in the past but this year I shall consume you. There is a generational move of the Spirit that is coming in this year focus on generation ministry and I will release the mystery hidden throughout generations.”

“Hold on to My word and hide it in your heart. You shall no longer be hindered. It is time for the heirs of salvation to have what I have spoken. I am putting greater honour upon My house. This will be a year of humbling for many leaders in the church and on the world stage as I release My hand of mercy to bring forth the turning of hearts among the elect and the elected. Healing shall spring forth like the morning and the hope of many shall be restored as I heap the resources of My heart upon My people.”

“Increase your capacity as I release to you the inheritance of the Kingdom. Your inheritance has already been secured and paid for. “Multitudes are about to be moved from darkness to glorious light. My mercy is going to release a movement of miracles in the earth as I manifest My majesty and might in the earth. Move beyond the ordinary and maximize the moment I have created for you.”

“Nothing is impossible for those who believe and I am launching you far beyond what you have ever thought was possible. I am releasing My nature upon those who are called by My name.”

Be willing to be stretched, challenged, and changed. This will be a year that the whispers of heaven will be heard.”

“Expel all thoughts of failure. I have called you people of excellence, to soar like eagles and to see what others could not. Exhaust yourself in your pursuit of My presence and I will show you mighty deeds. I am expanding your territory. Exalt me and lit me up and I will draw all men unto me.”

“Yesterday is gone so let it go. Yield yourself to me. Let your soul say yes to what I am calling you to do. I am releasing the anointing that destroys the yoke. You have been anointed and called to make history and change the world around you. This is your day, your time, and your year to go beyond where you have ever been.”

“Be zealous for good works and let the zeal of the Lord be seen upon you and provoke others to jealousy because of your passion for Him and His love for you.”

Hear the clock ticking, for the Lord says I have now catapulted you into the three years ahead. And this day the dearest of My Months I say to You I am moving you against gates that have never been moved before. And I am causing those gates that have withstood you in the past to have to come loose so they open in days ahead! I say to you move strategically day by day and month by month until the gate that has held back your blessing opens up.

For I say in the third year the War of the Kingdoms will begin and kingdom will rise against kingdom. But I say I have a Kingdom now I'm preparing and I will remember this Kingdom and the seed and the seed's seed of this Kingdom. So I say to you know this I have a Kingdom that will triumph.

For I am beginning a highway out of Egypt but I'll redo the highway that you're on. And I say now, the demons that have been trafficking and even creating trafficking throughout the earth, I Am going to unnest their headquarters.

And I'll surprise you with the leaders of this nation, for I have ways to cause them to bow their knees, and you think they're going one way but you watch Me knock the feet out from under them. And you watch them see Me in a way they've never seen Me before!

You'll hear of shakings from North to West! You'll hear that I have come from Alaska to Maine to shake but it will be the centre of this Nation that I now shake saith the Lord. And I will cause that which has been hidden and controlling the forces of this land to shake down!

For I say to you make favour with those that even have come into places and you say, but they have evil character. I can cause every Pharaoh in this land and the lands that you're a part of to favor you in days ahead!

And even today I call you My Army that is unstoppable. But even as in the natural there have been swarms that have crossed the Atlantic that have shown up in the most unusual places. I call you My Kingdom Swarm and you shall invade the kingdoms of the earth and you shall extract that which is needed and you will bring it into My Kingdom says the Lord.

And that which the enemy meant to destroy through trafficking I will raise them up as an unstoppable army in the days ahead for that generation will be My generation says the Lord!

So I say shout that the kingdoms of this earth are becoming My Kingdoms saith the Lord. And decree that the prisoners will be let go and they will come back to My House and this is a season My Altar will be filled!

A new baptism I'll give you and I say to you My very finger I will place in My people's keeping. And I say when you point your finger demons will flee!

And I say I'm going to open your eyes to those around you and you're going to say they're of a different kingdom. And I will say to you they are Mine bring them in now!

And in this year of honey I will cause a new hunger to arise throughout the lands for My Word saith the Lord. And where you have known My Word in the past you will taste and see My Word in a different way!

And it's not only happening above us, but it's happening beneath us.

The foundations of the earth are being shaken, And there is a reckoning in the deep,

The Lord's power and His Might is going to be the only thing standing after this fight. Just the same way David stood before Goliath, And said one of us is going to be left standing and it's going to be me,

It's going to be for the One who lived forever, Who lives eternally and you are going to fall before me this day. Oh the reckoning – it's happening beneath our feet,

It's happening beneath our feet,

It's happening beneath our feet.

Watch the shaking, watch the shaking, watch the shaking, watch the shaking!

I hear that word, "amazing", and I hear the Lord saying: You will be amazed in this next season. For, I am raising the ground that you walk on, which means that the opportunities that you have will be greater than the opportunities that you have had before to walk on the path of righteousness and anointing as the Spirit leads you.

Those mysteries--those hidden things that have been reserved for you for such a time as this--will come to bear in your life. Destiny will be fulfilled because you follow the path of My presence. Be ready to turn to the left or turn to the right as I direct you. And, when I tell you to go straight ahead, stay on that path. For, it shall be if you stay on the path that I have prepared for you, all things will work to your benefit because you are called according to My purposes, says the Lord.

These are the days in which you need to define who you are. You need to position yourself before Me with a question in your heart and desire to know what it is that I have prepared for you. These are the days of the revealing of those things in your life. Take heart this moment, this day and believe that you will receive that which I have spoken.

God speaks of the great shakings – through Wind, Severe Rain and Storms in specific areas of the nations of the world – targeted by Heaven for a "massive movement" of the Spirit of God.

Watch in 2014 where the earth shakes and where unusual weather breaks out. For there, God is allowing a sign to show you where He is moving at this time – in the most unusual and "stormy" ways!

Fire, Wind, Shaking - It's Transformation Time!

Malachi 4:6 He will restore the hearts of the fathers to their children and the hearts of the children to their fathers, so that I will not come and smite the land with a curse.

God is love, so reconciliation and complete transformation are His focus. When Jesus came to earth and completed His earthly assignment in the flesh and Spirit, God kept His Word of completely transforming all that was lost back to relationship with Him. You can be assured that in a world reeling in a backdrop of turmoil, this is the day for Christians to become the means of reconciling the lost and hurting back to the Father's heart.

A Memo From Heaven

Recently, I had an encounter that has transformed the message of my heart to release this word

I was visited in the middle of the night by an angel. As I sat up, awakened from a deep sleep by a nudge at my feet, I noticed a very bright light and then a form of a heavenly being standing at the foot of my bed. He was very stately and dressed in royal apparel of brilliant white and was holding a glowing memo from God in his hand. He held the memo right in front of me, so it was simple and easy to read. I asked him who he was and he said, "I am a messenger from the throne of the One you love; I am the Angel of Transformation."

He had my full attention and I thanked Him for the memo. He then said, "Read it aloud to me now!" I quickly obeyed and boldly spoke the following four words as the memo came alive.

- FIRE
- WIND
- SHAKING
- TRANSFORMATION

New word from Rick Joyner

When I prayed for this coming year, I was shown a roller coaster. This means we will have ups and downs this year. I realize that hardly takes a prophet to predict, but the encouraging thing about this vision was that the ride ended at the highest point. We're going higher this year! So don't be discouraged by the dips. Hang on and know that we will be going up again soon.

Our prophetic friend, Bob Jones, told us several months ago that it was going to be a very hard winter. I think this one has already qualified for that. As I am writing this in South Carolina, it is 8 degrees outside. I don't remember it ever being that cold here. However, the great thing is that spring will certainly follow! The point is that we must hang on during any dips or hard times. They will come to pass, but they will pass! As Winston Churchill once said, "When you're going through hell, keep going." Keep going.

The roller coaster I saw was very rickety. It did not seem that it could make it through another turn or the ups and downs. It held together though. I love roller coasters, but this one was not the kind I would get on voluntarily. We don't have a choice, we are on it. Even the strongest systems of this world are very shaky, and most can only make it through another day because God is holding them together. He is doing this for our sakes, so we should never stop praying for them.

In the vision, there was a platform at the end of this roller coaster ride. It did not look any stronger than the roller coaster, but as we walked across, it became stronger and stronger. On the other side, there was a beautiful, brilliantly glistening train which we boarded. It was the most beautiful and well-appointed train I've ever seen. However, as I boarded I saw that when it left the platform, it would enter a long, dark tunnel that I could not see the end of. Even so, the tunnel was going up, and this was a powerful, mountain-climbing train. We're going up. It may be dark and a bit scary for a while, but we are going higher. That was the end of this vision.

Trains often speak of training in dreams and visions. We may still be on a rickety old roller coaster, but the vehicle that is going to take us to where we must go will be training. This speaks to me of Ephesians 4—the equipping of the saints to do the work of the ministry. Even though it may take a while for us to see where we're going (the long dark tunnel) we will be going up. This is the vehicle that will get us to where we must go.

It is the nature of the faith walk to not be able to see where you're going, but you should know what you're looking for. The one who started the walk of faith, Abraham, did not know where he was going, but he did know what he was looking for—the city that God is building, not men.

The cities that men have built are impressive, but once you see what God is building, you can no longer be impressed with anything man is building. It takes revelation to see what God is building. John saw Babylon until he was carried to a high mountain. Then he saw the New Jerusalem, which is the city that Abraham saw. It is still being built. Being a part of it is the highest calling we can have. Do you see it?

As we see in the Book of Revelation, the New Jerusalem is the bride, the wife of the Lamb. As Don Potter recently remarked, it is an amazing thing how a bride can look like she is in shambles just minutes before the ceremony. However, in those last few minutes she comes together and emerges so beautifully and so perfect that you know you have witnessed a great miracle. This may well be just the way it happens with the bride of the Lamb. We may look like a disaster right up to the end and then, miraculously, we come together without spot or wrinkle.

A new gate will open in Heaven

God is opening a gateway into the heavenly realm in 2014 for deeper revelation and greater power. This is the start of a new season and the drought we have been experiencing in the Kingdom over the last few years is now over. Expect an **increase in your spiritual gifts, dreams, visions and supernatural encounters**. This will open the opportunity for you to step up to a new level and see results for your efforts.

“After this I looked, and there before me was a door standing open in heaven. And the voice I had first heard speaking to me like a trumpet said, ‘Come up here, and I will show you what must take place after this.’” Revelation 4:1

Three moves of God

We will see the start of a new move of God that will come in phases over the next few years. This year God is breaking a spiritual drought we have been in since 2008. I had a dream where an angel came and told me the humidity level right now is at eight, which is the number of new beginnings.

“For I will pour water on the thirsty land, and streams on the dry ground; I will pour out my Spirit on your offspring, and my blessing on your descendants.” Isaiah 44:3

The **first part** of this new movement of God will involve a time of **refreshment for those who are weary**. You will experience **mini-renewals** of His presence and gifts in your life. Many people have been suffering from hope deferred for so long that they need to soften up and be recharged.

The **second part** of this movement will be a new rain of the Holy Spirit that will come upon those that are seeking all that God has for them. This movement will look very strange, as **all types of people** will begin to be **drawn to God**. In the midst of this, a new generation will begin to awaken to God's love, power and acceptance.

The **next phase** will bring God's power like we have not experienced before. This will be a new level of **God's fiery presence and healing**. This is a start of a new healing movement with miracles, signs, wonders, and deeper revelation.

Prophetic words from 2009

God showed me that many prophetic words from the year 2009 that were intended to be fulfilled in 2010 were actually delayed until now. I went back, checked my journal and sure enough I found many prophetic words in 2009 that never came about that are happening right now. I also got a confirming email from a friend whose prophetic word that I gave in 2009 is now beginning to happen. Go to your journal and look for prophecies or dreams from 2009. Get ready for them to unfold now at a greater level.

Reconciliation instead of accusation

The spirit of accusation has been dominating the Church for the past few years making an unhealthy environment. When we accuse others without trying to find solutions, we must be careful that we are not coming into agreement with darkness over a person instead of God's purposes. One of the names given to Satan is the accuser of believers (Revelation 12:10). We need to be very careful to not accuse others but build them up instead. **God is releasing a spirit of reconciliation to offset the strong negative accusation**. There are many Bible verses that talk about blessing people instead of cursing them (Romans 12:14).

“All this is from God, who reconciled us to himself through Christ and gave us the ministry of reconciliation.” 2 Corinthians 5:18

Happy birthday

This year everyone will receive a **new gift from God** on his or her birthday. This might be a greater measure of the gifts you already have, new gifts of healing, prophecy, serving, etc. So get ready to receive birthday presents with a greater level of God's presence. You can expect a present of God's presence.

Gifts and callings rearranged

In the same spirit of giving, this year God is freeing up gifts and callings that have been given to people who have stopped using them or from people who have gone to Heaven. Many of these spiritual gifts and callings will be given to those who have been humble, seeking God and have not built themselves up or have operated in pride. God is lifting up those who have been humble. Some of them are the least expected. Those who receive these gifts and callings will have a sudden acceleration in their life, ministry or businesses. But people who have been building their lives, ministries and using others for their own gain will experience decline. God's love is still with them but they will no longer have the edge they once had.

Jezebel spirit exposed

2014 will be a year that the Jezebel spirit will be exposed throughout the church, government, and businesses. People who have been operating with this divisive and dividing spirit will be revealed. God will be revealing a new strategy to remove the grips and tentacles of the Jezebel spirit which has resisted and hindered previous moves of God over and over.

God's new agenda

God has an agenda this year to bring healing and reconciliation to people who have been wounded or rejected by Christians. There is such a large number of people who have been wounded by Christianity. This should not be. God's love is for everyone and we must show it to those who need it the most. Quite often these are the ones who might be offended by this or have different viewpoints. God is drawing in the spiritual outcasts right now and dragging a net along the bottom that will pull up people from all walks of life.

In order to be part of God's agenda we must love unconditionally and be willing to walk with people who have been rejected and wounded. Love and lots of grace is required to be part of this new move coming to the spiritually outcasts. Yes, God is on the move among the tattooed and pierced, those who are into zombies and vampires, gay and lesbians, new age people, and those of various political parties that are currently not accepted by many Christians. God is moving powerfully among women and promoting many into positions of new authority.

Financial ruin has been broken

Five years ago the US and much of the world experienced a great financial downturn. One of the largest bankruptcies in U.S. history occurred in September of 2008. We will now see a **five-year turnaround from that downturn**. God is opening up opportunities right now for people to be repaid for any losses during that time. Also, there are kingdom financial strategies being released from Heaven that will radically turn your financial situation around if you listen and act.

It is important to not pay attention to negative reports or get caught up in believing we are all going down. This is a time to take action and it is very similar to what Isaac experienced in Genesis chapter 26. During a great famine on Earth, Isaac listened to God and took a different direction than what most people were doing at the time. In verse 12 it says that he reaped 100 times during the famine.

Genesis 26:12 *“Isaac planted crops in that land and the same year reaped a hundredfold, because the Lord blessed him.”*

2014 is a **year of God's mercy** upon us. God is promoting people who have loved, shown mercy and not cut down others or driven them deeper into darkness. This is an exciting time to be alive because if you have suffered, experienced losses or repeated attacks of the enemy, God is repaying you right now. All you have to do is ask and respond. Walk through the new golden gates being opened!

Here's to a year of breakthrough and turnaround. May God richly bless you with every gift you need to succeed this year.

Disconnect Emotions and Look to the Other Side!

On Saturday morning, during our gathering, the Spirit of God began to speak powerfully during our time of worship. As we move forward into 2014, we want to let go of all that would hinder us from moving forward with freedom, and focus our eyes on the Author and Perfector of our faith. Here is a portion of the prophetic words that came forward:

"You've been looking for a needle in a haystack! I am causing you to get past the straw and build on a new foundation. Quit spending your time looking for that which you can't find. Because you keep looking for that which you can't find, you are missing the supply to build, with what you need to build. This is a season to build on a different foundation, a firm foundation, and from that place, I will put iron in your legs, to stand

"I am bringing forth new alignments, and they will be the alignments that you did not know of. They will be alignments that will even be a strain for you. But they will be the alignments that I have set in your pathway, and they will be the new order. For there was an order you walked in, in a past season, where you had chosen the pathway that you would walk in, and you even chose your alignments. But this is a season when I am choosing for you. Begin to listen to My voice. Begin to hear what it is that I am saying. For I will cause there to be an army that will be aligned and arrayed in this season, as you have never been arrayed before. For I am cloaking you, afresh and anew, and I am placing a fresh, new mantle upon you. I am even causing your garments to be changed, so do not continue to look for the old. Do not continue to look for the familiar. Do not continue to look for that which I caused in a past season. This is a new day and I will do it in a new way. The new way is My way.

"Look again at relationships. Those that you have decided are one way, look again, for I am changing each person, even in your network. Some of you will connect in a new way, that you never thought you would. Other relationships you may move on past. Look, and discern carefully, what I have for you in this season, and how to connect. Wait, wait for a time, and look. As the path begins to form, and relations begin to form, don't connect too quickly, because you'll see with past eyes. Let Me change your vision. Let Me change your eyes as you begin to look into each person because I am doing a work, and have done a work, in this last season, that you know not of. There is a deep work that I have begun, and it's been in this last season. Now, if you'll look, with fresh eyes, you will look and see what I have done. So, wait, before you begin to connect in this season. Wait, and let Me show you what I have done, and discern, through their spirit, what is done there."

"So it was, in the last season that the enemy shattered the vessel that you are, and you've felt like your pieces were scattered on the ground, thousands of pieces, and they could not be put back together. But it is My Word, it is My glory, it is My grace that is the glue that gathered up your pieces and put them back together. For so it is that there is no gap in who you are in that tomorrow, for that gap is fixed. So go forth in the glory that I have established, for you will be victorious."

"Cast your net on the other side; you'll be surprised what you will find. Cast your net on the other side; you'll be surprised what you will find... Treasure was not in the place you sought and sought before; cast your net on the other side; you'll be surprised what you will find."

"Now is when you have a choice. You can either decide to disconnect your emotions and move forward, or you can hold on to past expectations and find yourself in lack. If you move forward with the emotions you had, from last year, then those nets that you throw out will come back empty. You either disconnect, or you'll find yourself cycling back again, and again, and again." (Chuck Pierce, Deborah DeGar, DeeDee Roberts, Diane Roussel, James Vincent, and Tobias Lyons)
