# Vision Destiny 2014

- The main assignment of this army was to cause **division**. It was sent to attack every level of **relationship** - churches with each other, congregations with their leaders, husbands and wives, children and parents, and even children with each other.

# Vision Destiny 2014

- The scouts were sent to locate the openings in churches, families or individuals that rejection, bitterness, lust, etc., could exploit and make a larger breach for the divisions that were coming.

# Vision Destiny 2014

- The most shocking part of this vision was that this horde was not riding on horses, but **on Christians!** Most of them were well-dressed, **respectable**, and had the appearance of being refined and educated.

# Vision Destiny 2014

- These were Christians who had opened themselves to the powers of darkness to such a degree that the enemy could use them and they would think that they were being used by God.

# Vision Destiny 2014
