Soul Gates

Engaging God Cleansing Gateways

- I was on a 40 day fast so I did a 3 week blitz on cleansing my gates
- I did 2 or 3 years of my life at a time
- Each year I looked at each soul gate
- During this process I sought to identify the nature, nurture and trauma affects that had conformed me to external world and shaped my life

Engaging God Cleansing Gateways

- I looked to identify the familiars that were behind these factors
- I discovered I was fractured mentally and emotionally and my true eternal identity was obscured behind strongholds and walls built to protect myself
- I had belief systems that were lies masquerading as truth

Engaging God Cleansing Gateways

- I had behavioural coping and defence mechanisms created by my survival instinct to protect myself but I was imprisoned behind those walls
- I walked with God daily through my gates to identify where when and how these things operated

Engaging God Cleansing Gateways

- I systematically dealt with each gateway
- I progressively became more whole and integrated spirit, soul and body working together in unison
- This process requires desire and discipline before it becomes a delight
- We are in a marathon not a sprint and it is really worth taking the time to prepare and train well

Engaging God Cleansing Gateways

- Heb 12:1 Therefore, since we have so great a cloud of witnesses surrounding us, let us also lay aside every encumbrance and the sin which so easily entangles us, and let us run with endurance the race that is set before us, fixing our eyes on Jesus, the author and perfecter of faith, who for the joy set before Him endured the cross, despising the shame, and has sat down at the right hand of the throne of God.

Engaging God Cleansing Gateways

- This process may seem daunting and potentially painful
