

- Close your eyes and picture that door
- By faith reach out to the handle and open the first love door
- Welcome His presence into your spirit
- Allow your whole being, spirit soul and body engage Him
- See the river of life flowing
- See the glory of God and the river of fire

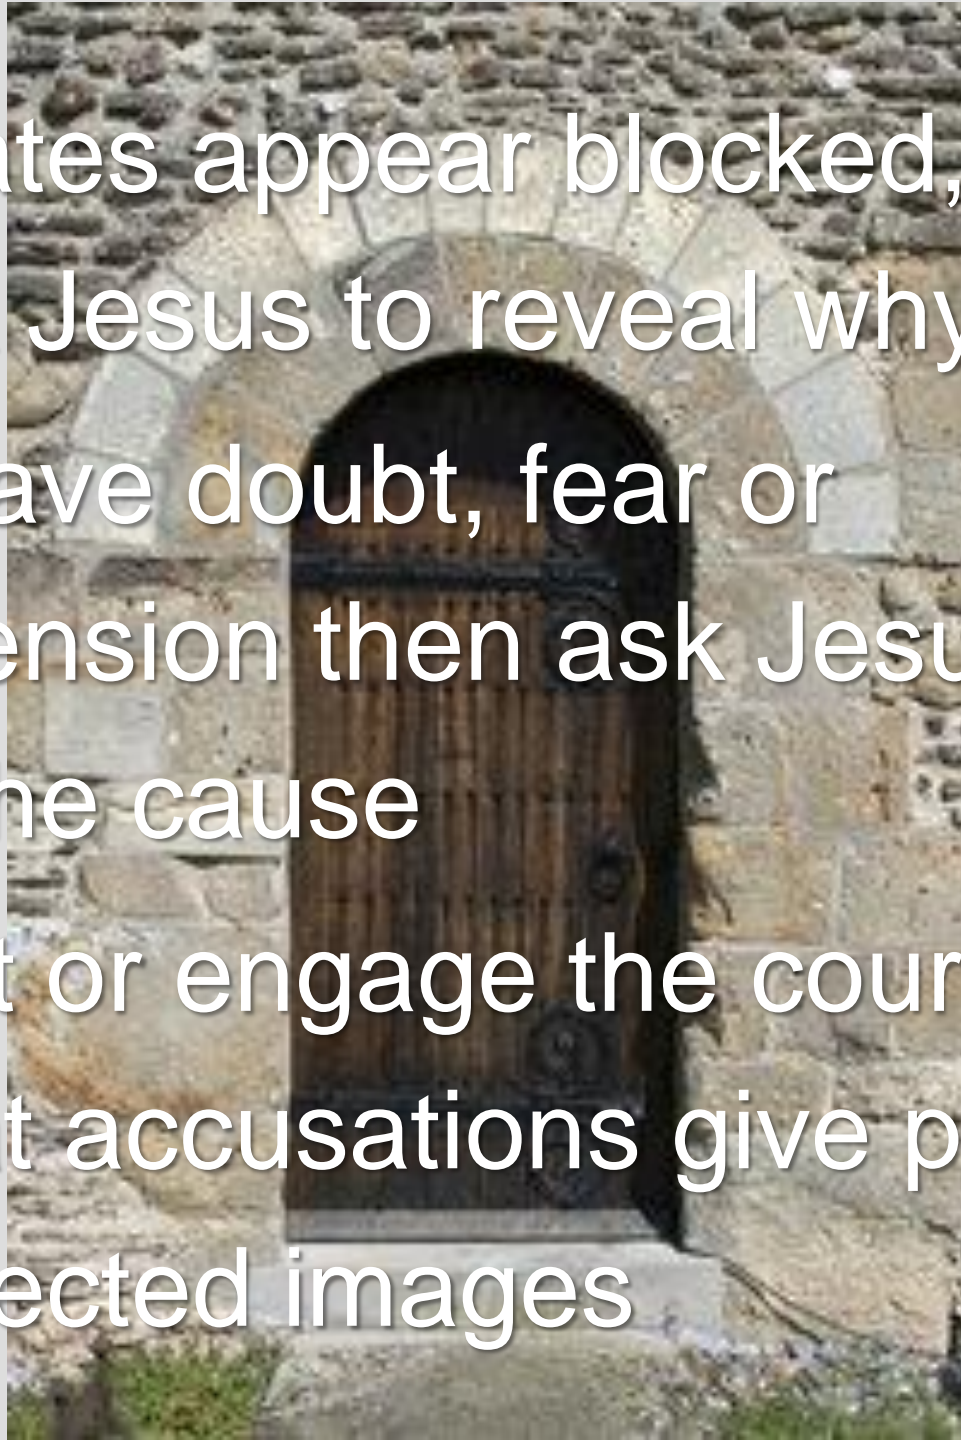

- Start to think and meditate on a gate – reverence, revelation etc.
- Activate your imagination and ask Jesus to walk with you to a gate
- Look at the gate engage the symbolism, engage your senses – feel, impressions, perceptions, thoughts

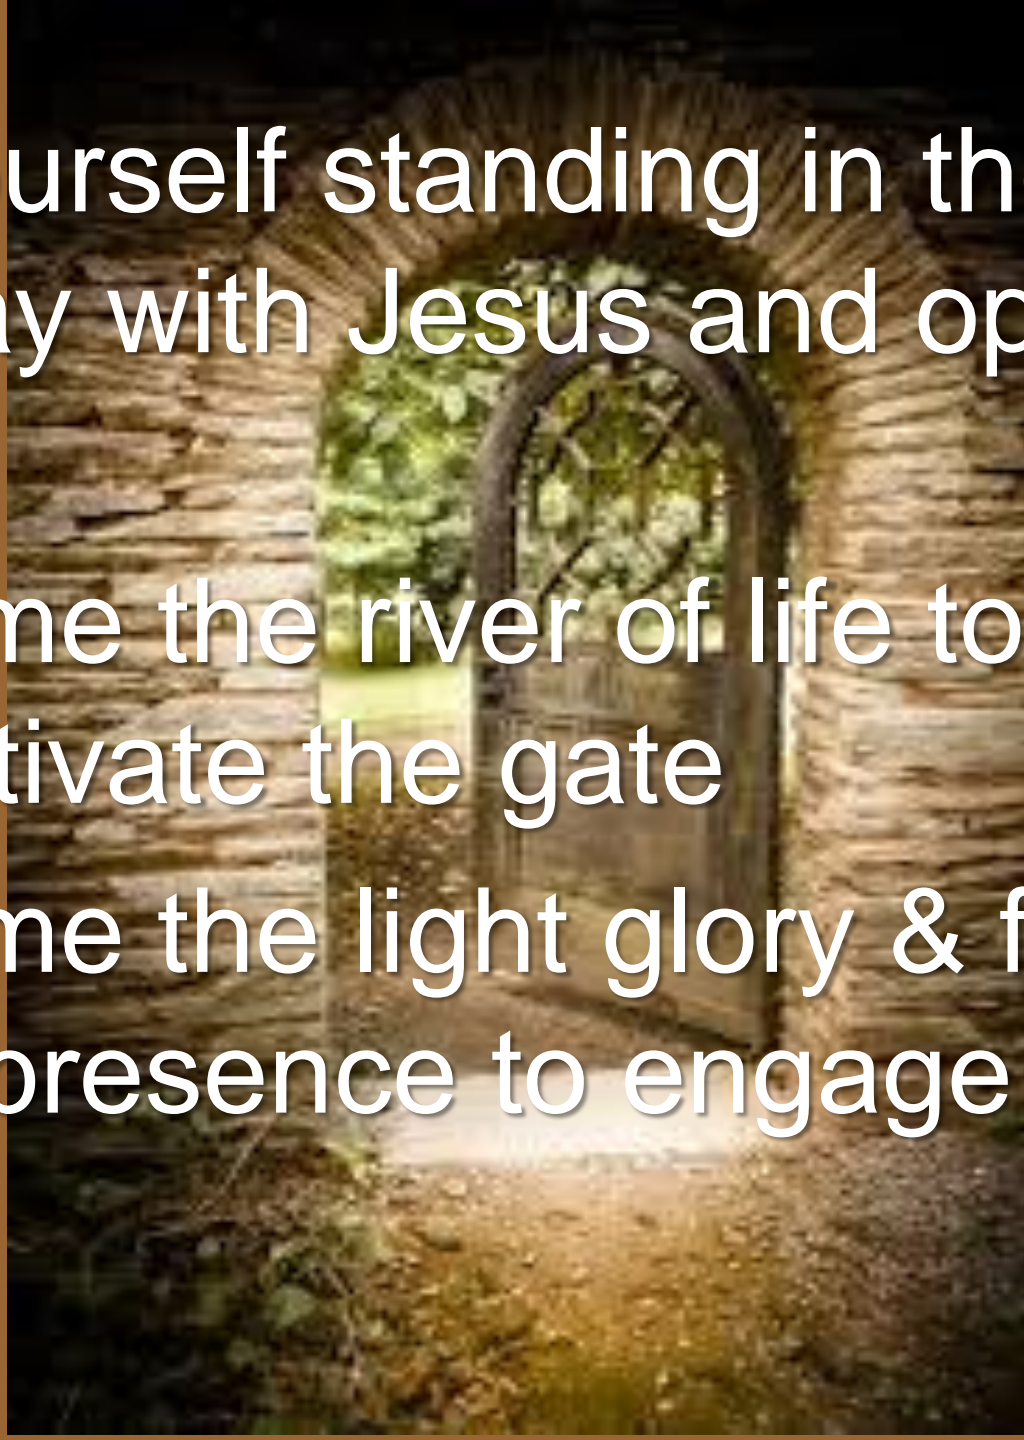

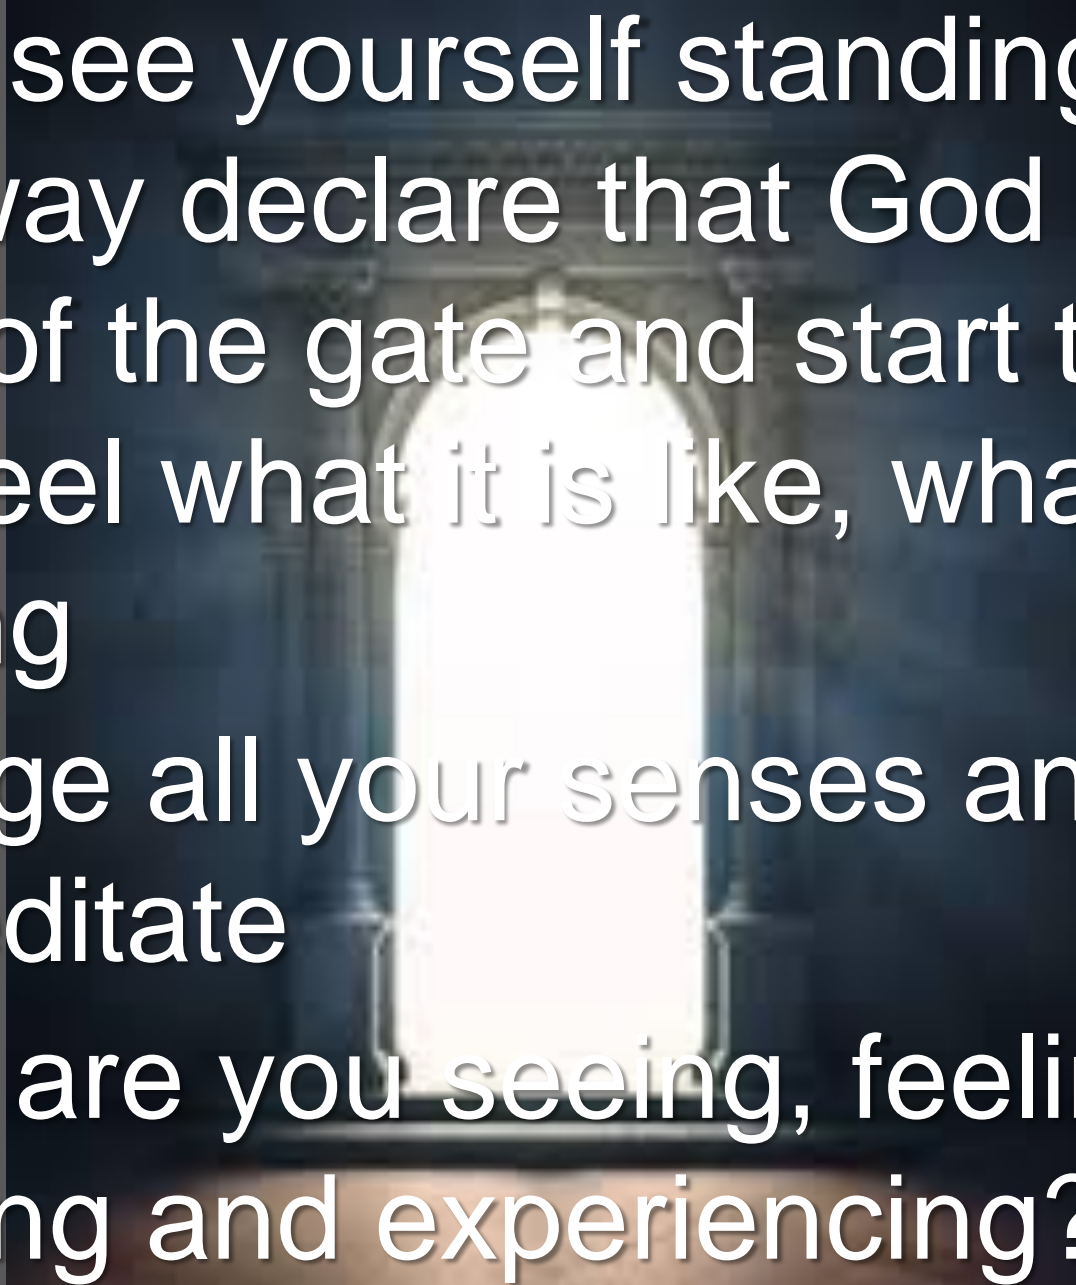

- 
- Ask Jesus to give you revelation of the gates their meaning, function, purpose and operation in your spirit – how you are wired
  - Listen to His words as thoughts in your mind

- If the gates appear blocked, locked etc. ask Jesus to reveal why
- If you have doubt, fear or apprehension then ask Jesus to reveal the cause
- Lie Bust or engage the court to find out what accusations give power to the projected images

- See yourself standing in the gateway with Jesus and open the gate
- Welcome the river of life to flow and activate the gate
- Welcome the light glory & fire of God's presence to engage the gate

- 
- Then see yourself standing in the gateway declare that God is the Lord of the gate and start to sense and feel what it is like, what is flowing
  - Engage all your senses and begin to meditate
  - What are you seeing, feeling, sensing and experiencing?

- When you are ready move on to a different gate
- Follow the same process
