

Engaging God

- Pathway of relationship that leads to deeper intimacy with God
- Focus is about conformation into the image of sonship through transformation
- Purpose is to be manifested as sons of God living in dual realms fulfilling the creation mandate to restore all things

Engaging God Gateways

- Rom 12:1 do not be **conformed** to this world – removing the programming that has come from outside in from nature, nurture or trauma is a key
- Rom 8:29 For those whom He foreknew, He also **predestined** to become **conformed to the image** of His Son, so that He would be the firstborn among many brethren;

Engaging God Gateways

- Act 3:20 and that He may send Jesus, the Christ appointed for you, 21 whom heaven must receive until the period of **restoration of all things** about which God spoke by the mouth of His holy prophets from ancient time.

Engaging God Gateways

- Gen 1:28 God **blessed** them; and God said to them, “Be **fruitful** and **multiply**, and **fill the earth**, and **subdue it**; and **rule**
- Rom 8:21 that the creation itself also will be set free from its slavery to corruption into the freedom of the glory of the children of God.
22 For we know that the whole creation groans and suffers the pains of childbirth together until now.

Cleansing Gateways

4 Chambers of the Heart

Engaging God Gateways

- Cleansing gateways is about removing blockages and obstacles to the flow of heaven, the river of life, through us
- The 4 chambers of the heart is about engaging God for the transformation and conformity into the image of Jesus as mature sons of God

Engaging God Gateways

- Garden is where intimacy begins to restore our identity in sonship apart from works in a place of rest
- Dance floor is where we begin take on the image of sonship by engaging the character and nature of God in the light of His DNA

Engaging God Gateways

- The soaking room is the place of preparation of soul and body to be able to radiate the glory of God as sons of light by engaging God's frequencies
- Where our the physical aspects of our transformation begin to bring our bodies into wholeness and release our supernatural abilities

Engaging God Gateways

- I choose to bear the record, my eternal image conformed to the likeness of my Father and Brother in heaven, transfigured to radiate their glory
- Let the breath of God be breathed into my life transforming me into a living being joined to the Lord and one spirit with Him

Engaging God Gateways

- Psa 8:4 What is man that You take thought of him, And the son of man that You care for him? 5 Yet You have made him a little lower than God, And You **crowns (surround) him with glory and majesty!** 6 You make him to rule over the works of Your hands; You have put all things under his feet,

Engaging God Ketubah

- 5 aspects of the Hebrew marriage mirror this process
- Lakah – Garden
- Segullah – Dance Floor
- Micvah – Soaking Room
- Kiddushin – betrothal with the Ketubah under 1st huppah
- 2nd Huppah – Bridal Chamber

Engaging God Gateways

- The marriage requires a Ketubah and the Ketubah requires a Micvah.
- Without engaging the preparation process there can be no consummation.
- When we engage soaking room it can open up corresponding heavenly realm experiences in the pools and fire

Engaging God Gateways

- Soaking room is a place of change
- Transformation, Transfiguration = Metamorphosis
- Change from one form into another
- Tadpole to a frog
- Change = is it an opportunity?
- Change = does it bring insecurity?

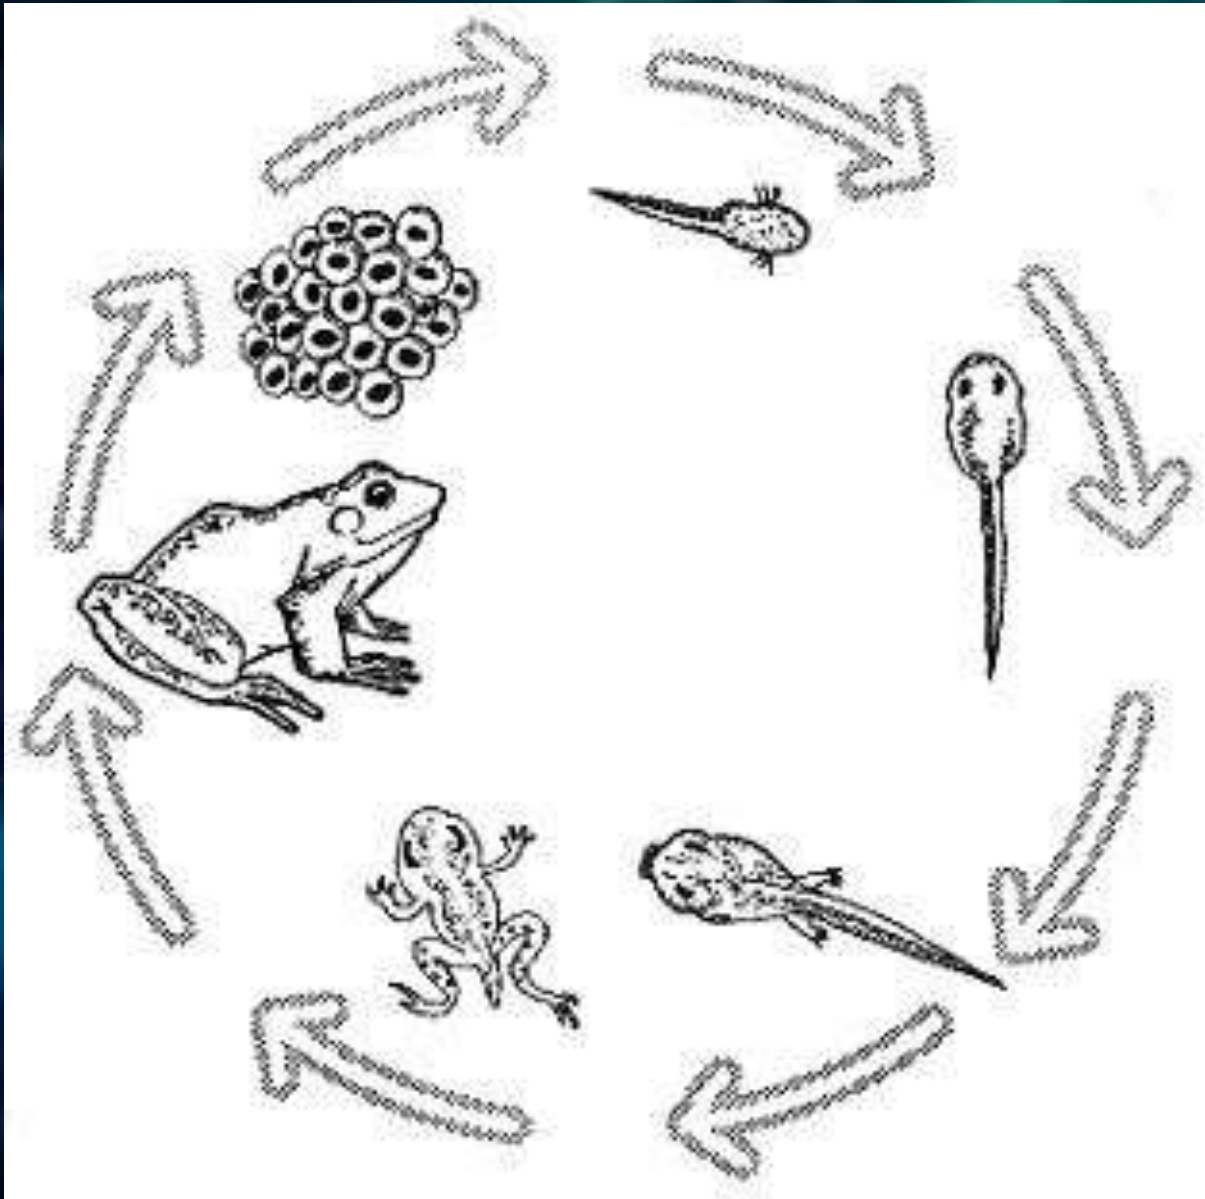

Engaging God Gateways

- Why do we struggle with change?
- Fear of the unknown
- Comfortable where we are
- Sounds like hard work
- Better the devil you know
- No change no transformation
- No metamorphosis into full sonship

Engaging God Gateways

- Metamorphosis, transformation, transfiguration is a process of change to bring spirit, soul and body into sonship.
- Different processes for tadpole and the butterfly one is water and one is fire.
- Both processes are restrictive seasons of preparation

Engaging God Gateways

Engaging God Gateways

- Tadpole can't live outside of the pond during the period of preparation
- The caterpillar can't live outside of the cocoon or chrysalis during the season of metamorphosis
- These seasons relate to the 2 chupahs or coverings of God in the marriage process

Engaging God Gateways

- Places of restriction under coverings in preparation for consummation.
- These seasons of restriction challenges the tetherings that the soul has to the earthly realm
- This is where the earth bound restrictions of single realm living begin to be challenged

Engaging God Gateways

- Place of restriction is where things are removed e.g. tail and gills of tadpole
- Tadpoles have a reliance on living in water because it is the source of oxygen
- The dependence of our soul and body on the world will be challenged

Engaging God Gateways

- Identity derived from earthly sources and perspectives will be challenged
- Our conformity to the world through our life experiences of nature, nurture and trauma are exposed and brought into the light
- The soaking room is the Micvah preparation for the betrothal

Engaging God Gateways

- Not only do things get removed but things get changed and added to give us the ability to live in dual realms
- Tadpole gets legs and a new respiratory system so as a frog it can live in the dual realms of water and land.

Engaging God Gateways

- Many times bible characters are placed in a place of restriction to prepare for them for destiny
- Jacob under Laban
- Moses in the wilderness
- David in the Adullam's cave
- Jeremiah in anguish of soul
- Joseph and Esther prepared

Engaging God Gateways

- Joseph was prepared in the pit, in slavery, in stewardship and in the prison of obscurity until the time was right when his dreams and destiny would be fulfilled.
- Esther 12 months of preparation before she could come before the king

Engaging God Gateways

- Soaking room engages the body and soul to prepare them to radiate glory
- Realigns our frequencies it restores resonance, harmony and balance.
- Excitation of light by waves of specific frequencies where our DNA photons are energised
- We become sons of light living in physical and emotional health and wholeness.

Engaging God Gateways

- God as our Father is calling us to embrace the restrictions of transformation to receive the freedom of our sonship
- To receive the full revelation of our eternal destiny to live multi-dimensionally

Engaging God Gateways

- John 3:30 He must increase, but I must decrease.
- He adds to me what is like Him
- He takes away from me what is not like Him
- Surrender where I present myself to Him so I can be changed and conformed to sonship

Engaging God Gateways

- What is soaking?
- Soaking to make or allow (something) to become thoroughly wet by immersing it in liquid.
- Immerse, steep, submerge, submerse, dip, sink, dunk, bathe, wet, rinse, douse, **marinate**, souse, **pickle**
- To baptise in water, spirit and fire

Engaging God Gateways

- Soaking Room is the place of preparation in the river of life and the river of fire
- Baptised in the river of life
- River of life is living water it is not H₂O but the very essence of life encoded within the frequencies of God
- Sound of many waters the creational frequencies of God's voice

Engaging God Gateways

- Soaking is to be marinated or pickled in the very essence of life
- Eternal life carries a frequency that calls our being back into wholeness or alignment with our eternal pattern
- Micvah preparation is necessary to be ready for the covering huppah of His presence.

Engaging God Gateways

- Isa 43:2 “When you pass through the waters, I will be with you; And through the rivers, they will not overflow you. When you walk through the fire, you will not be scorched, Nor will the flame burn you.

Engaging God Gateways

- Soaking in the higher frequency of His love
- Soaking in the higher frequency of His spiritual words
- John 6:63 It is the Spirit who gives life; the flesh profits nothing; the words that I have spoken to you are spirit and are life.

Engaging God Gateways

- River of life vibrates with frequencies that will cause our DNA to trigger change and resequencing.
- Resonance can take place where our frequency is raised to a higher level.
- Trigger health and wholeness as each organ of our body comes into resonant agreement with the pattern of our creation.

Engaging God Gateways

- This revelation of frequencies is being used through essential oils substances with high frequencies that can be used to realign our bodies.
- Healing frequencies through sound, tones, solfeggio frequencies
- Retuning instruments to different frequencies 440 to 430

Engaging God Gateways

- They are all valid revelations that we can use to aid transformation
- By engaging the soaking room we can directly begin to resonate with the higher levels of the spiritual frequencies that flow from the thrones of God and from God's person.

Engaging God Gateways

- Gen 1:2 The Spirit of God was moving (hovering, brooding, vibrating) over the face of the waters.
- Overshadowing, brooding, vibrating of the Holy Spirit produces change
- Luke 1:³⁵ The angel answered and said to her, “ The Holy Spirit will come upon you, and the power of the Most High will overshadow you

Engaging God Gateways

- Tree of life has fruits that produce frequencies and fragrances for purification and preparation.
- Matt 2:11.. Then, opening their treasures, they presented to Him gifts of gold, frankincense, and myrrh.
- Luke 23:56 Then they returned and prepared spices and perfumes.

Engaging God Gateways

- Oils and perfume are symbolic of Holy Spirit's anointing
- Isa 10:27 So it will be in that day, that his burden will be removed from your shoulders and his yoke from your neck, and the yoke will be broken because of the anointing

Engaging God Gateways

- Esther 2:12 Now when the turn of each young lady came to go in to King after the end of her twelve months under the regulations for the women—for the days of their beautification were completed as follows: six months with oil of myrrh and six months with spices and the cosmetics for women

Engaging God Gateways

- Esther 4:14 ... And who knows whether you have not attained royalty (called to the kingdom) for such a time as this?”
- We are called to be royal priests to expand kingdom government and as sons answer creations groan for freedom and restoration

Engaging God Gateways

- What is overshadowing?
- Vibrating energy of Holy Spirit in the river of life that causes:
 - Shaking vibrational shifting
 - Realignment, transformation and wholeness
 - Resonance and harmony with our identity and destiny

Engaging God Gateways

- All matter has frequency, which is best described as an electric current or vibrational energy.
- Familiar examples are light and sound waves.
- Everything including our bodies, thoughts and emotions have frequency
- The frequencies we are in contact with have an effect on us

Engaging God Gateways

- Sound, colour and movement working together in harmony have an affect on the natural and spiritual dimensions opening portals and dimensional gateways
- Flags, banners moved in specific ways can change atmopheres

Engaging God Gateways

- A substance with a higher frequency can raise a lower frequency due to the principle of entrainment - the tendency for two oscillating bodies to lock into phase so that they vibrate in harmony.
- This principle is key to understanding the effect of different frequencies have on our personal electromagnetic frequencies

Engaging God Gateways

- ESSENTIAL OILS
- The power of frequency is one reason why essential oils have healing capabilities.
- They are the highly concentrated life-force of the plant, they have high frequencies.
- When applied to the human body (either internally or externally), they will raise the body's specific frequencies, therefore promoting healing and restoration.

Engaging God Gateways

- The power of music
- David played his harp for King Saul when he was tormented by evil spirits.
- His music was restorative- it was pure worship of God, and it raised the frequency of the atmosphere.
- This is why the evil spirits had to flee as they could not stand the higher frequency of the pure musical frequencies

Engaging God Gateways

- We have all experienced the effects of different frequencies in music?
- Some music soothes our souls and brings peace, while some music breaks this open.
- It is the spirit/frequency of the music that we are experiencing, and it will affect us either good or bad.

Engaging God Gateways

- Matching frequency
- An opera singer, hitting a certain high note, can make glass shatter.
- The sound of her voice is matching the frequency of the glass, but her voice eventually overpowers the glass.
- The glass molecules can no longer hold together and so they break apart and shatter.

Engaging God Gateways

- Even thoughts and feelings have a vibratory quality that forms a measurable frequency.
- A negative mental state can lower a person's frequency by 10-12 MHz.
- A substance or influencing factor - such as thoughts, emotions, and frequency devices can also raise or lower our frequencies.

Engaging God Gateways

- For example, a positive mental attitude in prayer or meditation can raise our frequency by 10-15 MHz.
- The human body vibrating within its normal vibratory range between 62 and 68 MHz is considered in a state of health.
- Energy disturbances in the body will often precede the appearance of disease and illness in the physical body.

Engaging God Gateways

- The normally harmonious coherent frequencies of the body easily go out of “tune” when a person experiences physical or emotional stress.
- When the human frequency range drops below the norm of 62 megahertz, this is when abnormal processes can begin to develop.

Engaging God Gateways

- Properly “retuning” the body to its original frequency brings it into balance and restores its natural harmonic resonance – illness either doesn’t manifest or is resolved.
- The universe is vibrationally out of sync, tune or balance with the spiritual or quantum realm that holds it together

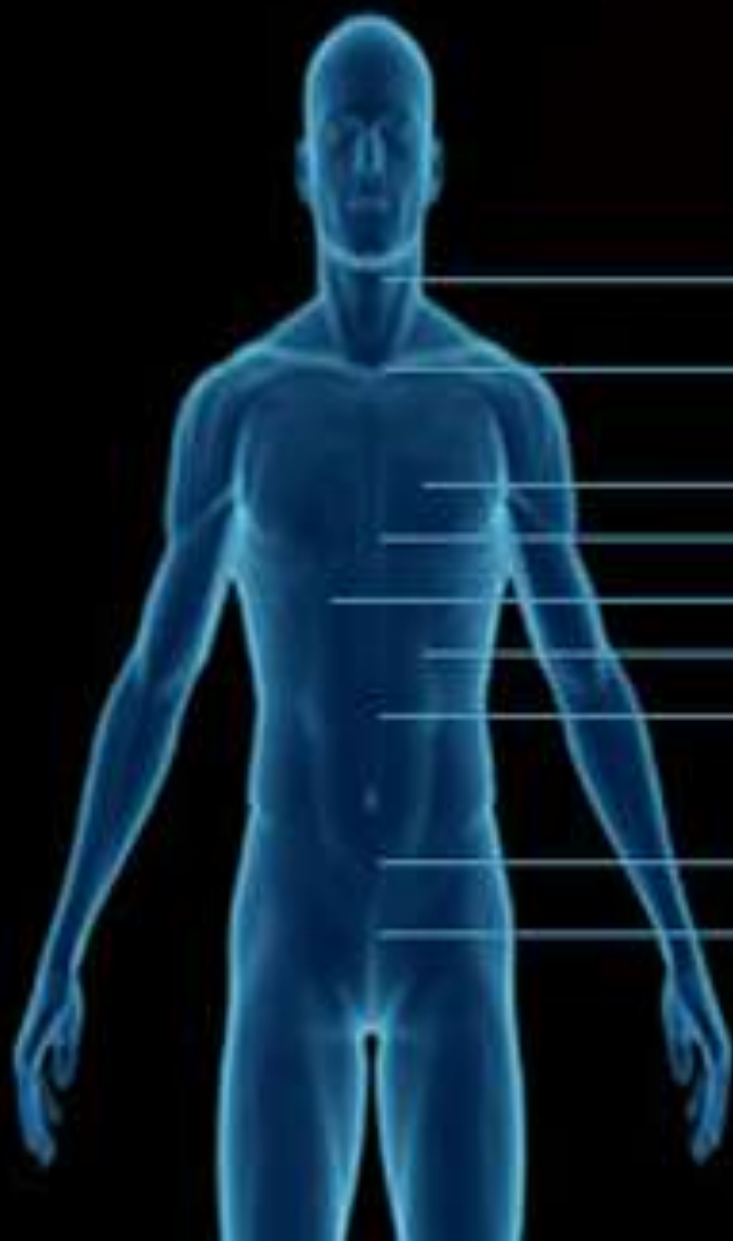

Engaging God Gateways

- Human cells can start to change (mutate) epigenetically when their frequency drops below 62MHz through trauma
- 58 MHz is the frequency of your body when you have a cold or the flu.
- When candida is present within your body, you vibrate at a frequency of 55MHz.

Engaging God Gateways

- 52 MHz is the frequency of a body with Epstein-Barr virus present.
- 42 MHz is the frequency of a body wherein cancer can appear.
- When the death process begins - the frequency has been measured at 20 MHz.

Average Body Organ Frequencies

Thyroid and Parathyroid Glands: 62-68 MHz

Thymus Gland: 65-68 MHz

Heart: 67-70 MHz

Lungs: 58-65 MHz

Liver: 55-60 MHz

Stomach: 58-65 MHz

Pancreas: 60-80 MHz

Descending Colon: 58-63 MHz

Ascending Colon: 50-60 MHz

Average Brain Frequencies

If one or two of these points vary 3-10 MHz more than the other, a headache would begin.

58 MHz - Flu symptoms
55 MHz - Viral infection
42 MHz - Cancer

70-78 MHz

70-78 MHz

70-78 MHz

Could go over 100 MHz at certain times in some individuals.

Naps or sleep state would be much lower.

All figures during wake state and prior to eating a meal. After a meal these figures could drop 10 - 20% when the pancreas is producing high levels of digestive enzymes.

Engaging God Gateways

- Sounds as words have frequency. That is why the power of life and death is in the tongue (Pro18:21).
- Words of truth (light- high frequency) can promote healing, while words of lies (darkness- no frequency) can be destructive even producing death.
- God Himself spoke the universe into existence- His words are words of LIFE!

Engaging God Gateways

- 1 Thes 5:23 Now may the God of peace Himself sanctify you entirely; and may your spirit and soul and body be preserved complete, without blame at the coming of our Lord Jesus Christ.
- Harmony and balance functioning as an integrated whole being

Engaging God Gateways

- We need to be whole in all three areas of body, mind, and spirit.
- Prov 14:30; 17:22; 18:14
- If one eats healthy, yet has unhealthy attitudes or experiences grief/depression, their overall health suffers
- Negativity will lower our frequency, causing us to be susceptible to sickness

Engaging God Gateways

- There are many “spiritual” people who are still sick, because they do not eat healthy.
- Depression, grief, sadness, anger, negativity and unforgiveness can actually programs our DNA to produce sickness and disease

Engaging God Gateways

- Love, joy, peace, praise thankfulness and forgiveness can program our DNA to produce healing, health and wholeness
- Healing anointed prayer and laying on hands release frequencies that can repair and reprogram our DNA

The frequencies of thoughts, words and feelings affect our physical reality

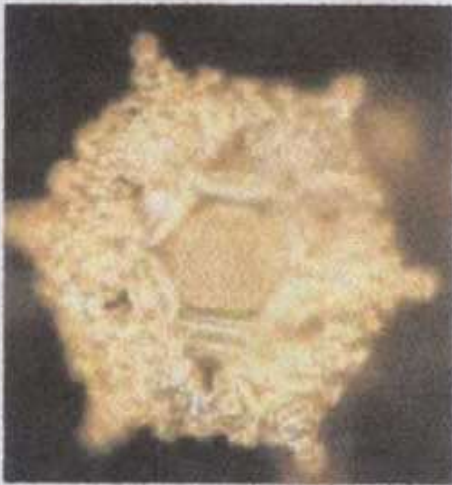

The photo on the left is a darkfield microscopic picture of a water crystal from jar with the words "You make me sick" on a piece of masking tape stuck to the Jar. The photo on the right is from a sample exposed to classical music.

Water of Fujiwara dam before & after offering a prayer.

Heavy metal music

“I love you.”

“You make me sick.”

“Thank you.”

Engaging God Gateways

- Thoughts, words and feelings affect our physical reality
- Written & spoken words, Positive & Negative thoughts, Positive & Negative Sounds
- Our words and thoughts can create or cancel negative frequencies

Engaging God Gateways

- Godly Thinking. Meditation to change your belief system to resonate with the life of God within, thus, changing the death sequence of your DNA to produce LIFE. (As a person thinks so they are)
- Godly Speaking. Confessing the truth of what God says about us.
- Consciously speaking to our bodies commanding them to become activated to produce life and health.

Engaging God Gateways

- Albert Einstein stated: "Concerning matter, we have been all wrong. What we have called matter is energy, whose vibration has been so lowered as to be perceptible to the senses. There is no matter."

Engaging God Gateways

- Jesus miracles walking on water, healing multiplying etc
- Control and power over frequency
- "Quantum physics has found that there is no empty space in the human cell, but it is a teeming, electric-magnetic field of possibility or potential."

Engaging God Gateways

- Sound music frequencies are important in engaging transformation
- Frequencies can promote positive or negative reactions
- Battle over musical frequencies retuning A=440 rather than A=432
- Changing the scales solfeggio frequencies

Engaging God Gateways

- "Essentially, music has been placed in a box of limitations" — as the result of the rigidity imposed by the Twelve-Tone Equal Temperament tuning standards in use today"

Engaging God Gateways

- "Although it is difficult to describe the special qualities of Just (Intonation) intervals to those who have never heard them, words such as clarity, purity, smoothness, and stability come readily to mind"

Engaging God Gateways

- “The supposedly consonant intervals and chords of (12-Tone) Equal Temperament, which deviate from simple ratios to varying degrees, sound rough, restless, or muddy in comparison.”

Engaging God Gateways

- The six original Solfeggio frequencies, using the Pythagorean method, have a base or root vibrational numbers are 3, 6, & 9.
- Nicola Tesla tells us, "If you only knew the magnificence of the 3, 6 and 9, then you would have a key to the universe."

Engaging God Gateways

- Our modern day musical scale is slightly out of sync from the original Solfeggio frequencies and is, consequently, more dissonant
- The original Solfeggio scale was composed of only six notes: "UT, RE, MI, FA, SO, LA."
- A 7th note was added in the form of a "SI," or a "TI," in the vocal scale

Engaging God Gateways

Engaging God Gateways

- Christians have been re-embracing 432 hz instead of the harmful 440 hz.
- 432 hz. is the governing frequency of the created universe as measured by planetary alignments and orbital movements.
- 432 is the only resonant frequency that is capable of naturally reproducing what is called the “Pythagorean Musical Spiral” in the water of the human cell.

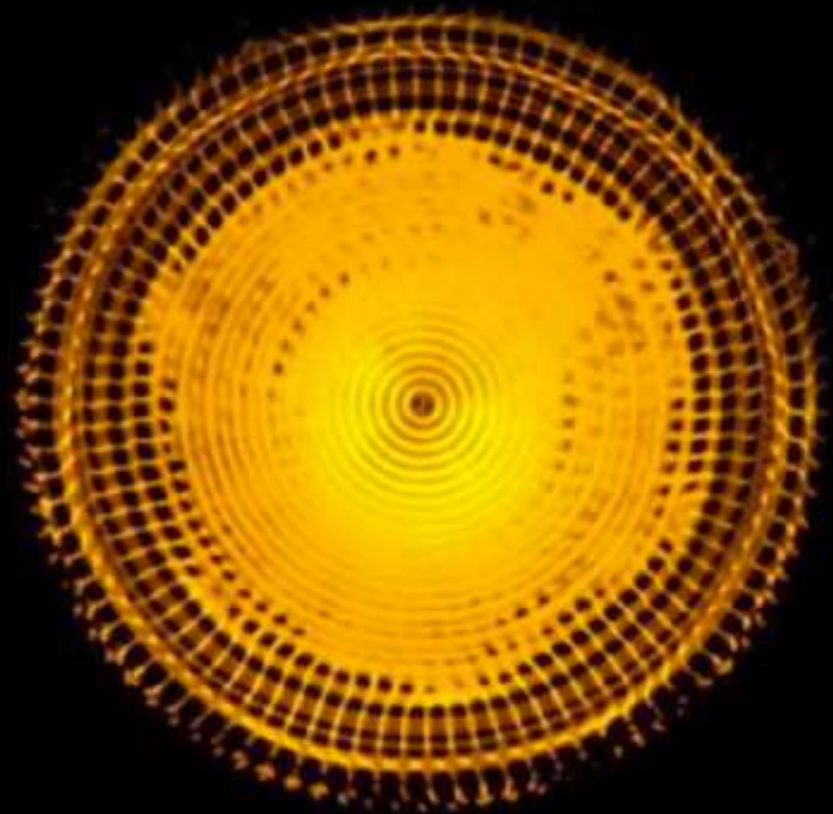

Engaging God Gateways

- Pythagorean Musical Spiral has the same sequence of growth that all life follows.
- It utilizes the formula of “Phi” also know as the “Golden Mean” and is also found in the “Fibonacci sequence” throughout all of nature.

Engaging God Gateways

Water Sound Image 432 Hz

Water Sound Image 440 Hz

Engaging God Gateways

- Are we prepared to be overshadowed by the river of life?
- Are we prepared to enter a place that restricts us so we can resonate with God's frequencies?
- Are we prepared for change?

Engaging God Gateways

- I apply the frequency of DNA to transform me into the image of Jesus
- Transform every genetic record, re-sequence my DNA into alignment
- I call all my genetic material to resonate with the DNA of God and come in alignment with my eternal image

Engaging God Gateways

- I choose to bear the record, my eternal image conformed to the likeness of my Father and Brother in heaven, transfigured to radiate their glory
- Let the breath of God be breathed into my life transforming me into a living being joined to the Lord and one spirit with Him

Engaging God Gateways

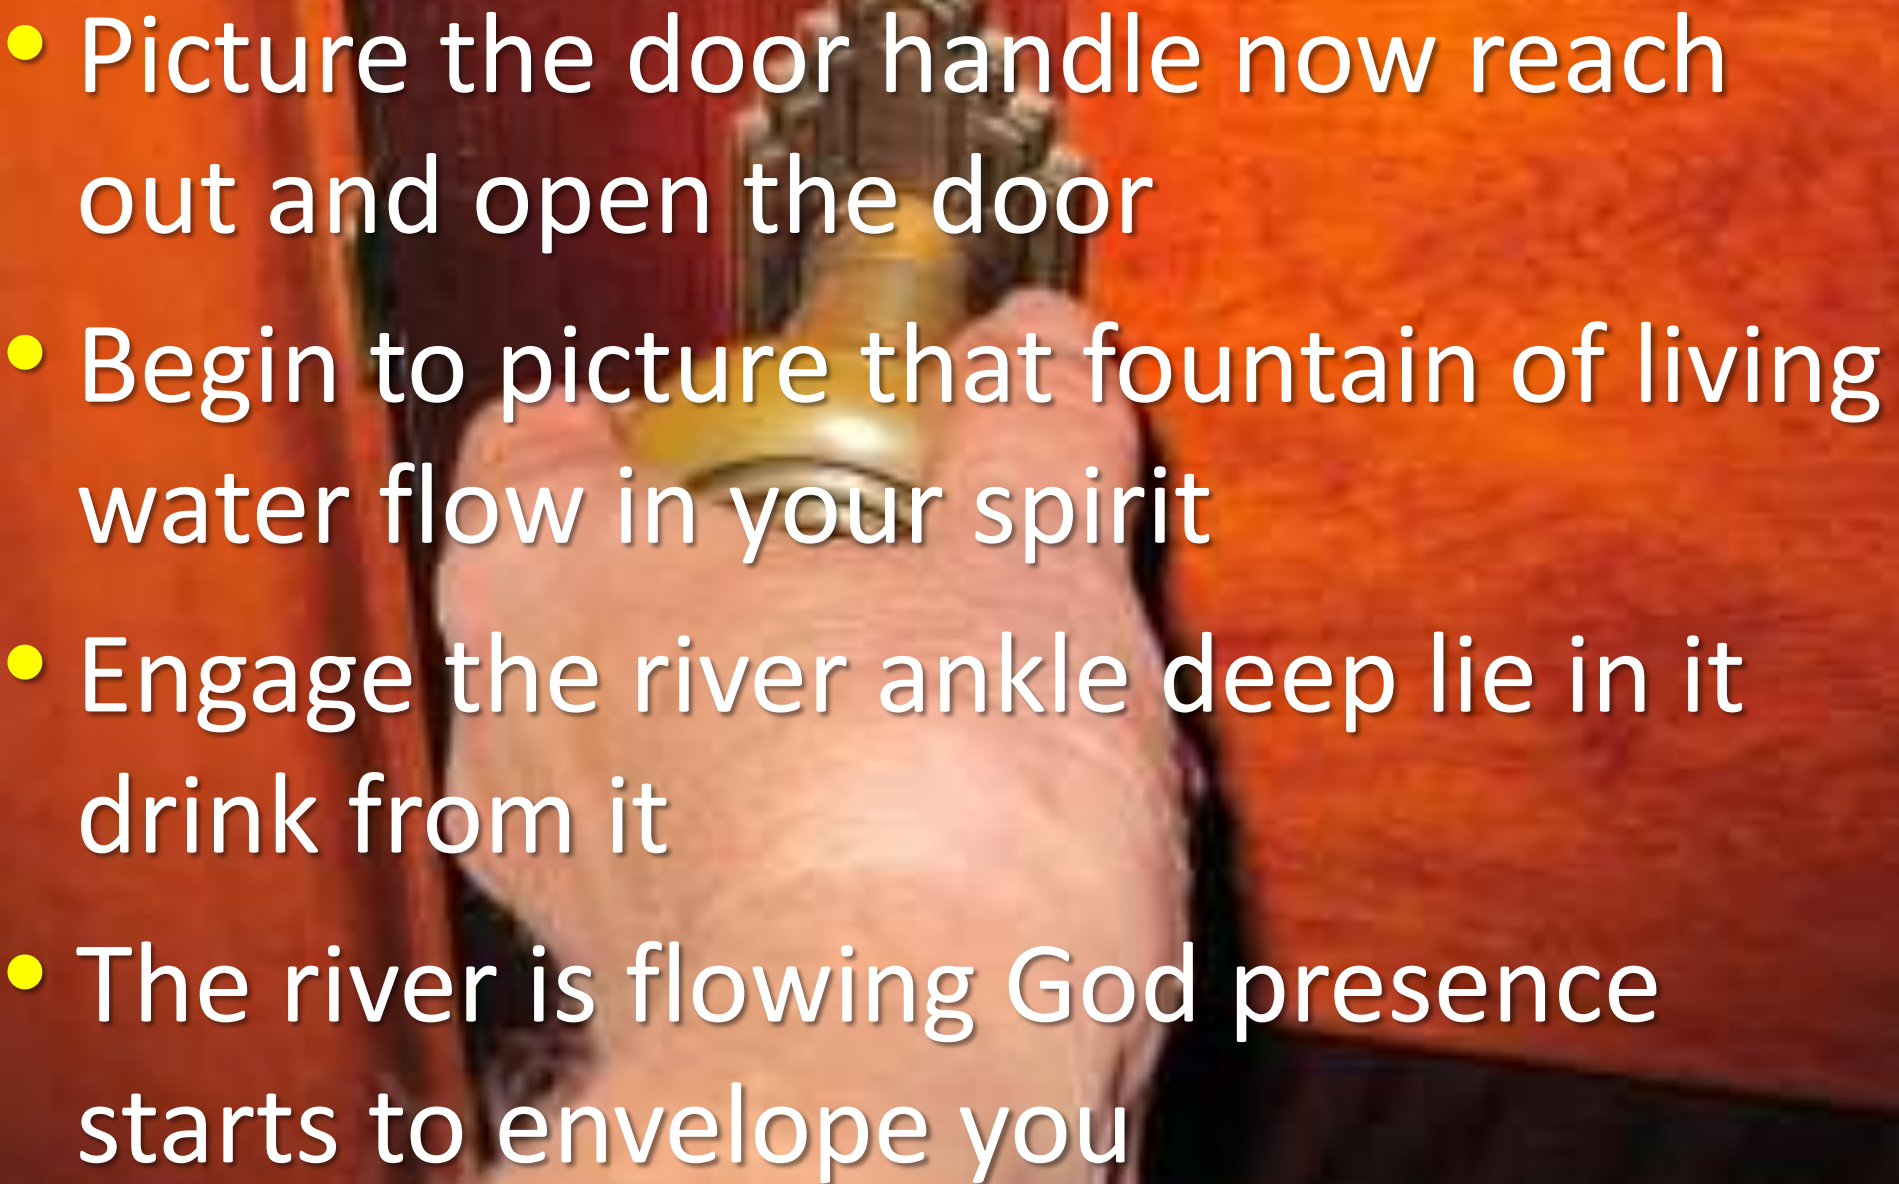

- I speak creative words to my DNA to release the supernatural abilities of God
- I trigger the ability to see and move in the realm of the kingdom
- I trigger the ability to transform matter and control light and sound

- Rev 3:20 Behold, I stand at the door and knock; if anyone hears My voice and opens the door, I will come in to him and will dine with him, and he with Me.

- Close your eyes
- Activate your imagination as the doorway to encounter
- Begin to think about that door
- Begin to picture the door

- 
- A close-up photograph of a hand turning a brass door handle on a wooden door. The hand is positioned in the center, with fingers wrapped around the handle. The door is a warm, reddish-brown color. The background is a textured, orange-red surface. The lighting is soft, highlighting the metallic sheen of the handle and the texture of the wood and background.
- Picture the door handle now reach out and open the door
 - Begin to picture that fountain of living water flow in your spirit
 - Engage the river ankle deep lie in it drink from it
 - The river is flowing God presence starts to envelope you

- Invite the river of His presence into the garden of your heart
- Follow the flow into the Dancefloor
