Manna

Tablets

Aaron's Rod

Deep Calls to Deep Framing

- Tablets - Word of God His heart is written on our hearts/spirits.
- Jer 31:33 I will put My law within them and on their heart I will write it; and I will be their God, and they shall be My people.
- John 5:19 See what the Father is doing
- Jod Hei Vav Hei

Deep Calls to Deep Framing

- Heb 10:7 “Then I said, ‘Behold, I have come (In the scroll of the book it is written of Me) To do Your will, O God.’
- Heb 10:16 “This is the covenant that I will make with them After those days, says the Lord: I will put **My laws upon their heart**, And on their **mind I will write them,**”

Deep Calls to Deep Framing

- We begin to frame our world from the mandate we receive
- We become the representation of the 4 faces of God on earth
- We act as kings and priests
- We speak prophetically and administer apostolically

Deep Calls to Deep

- We look into the manifest presence and glory of God
- We see the will and purpose of God for our lives
- We resonate or align ourselves to His will
- Our hearts desires draw us towards His will and our destiny
- We receive our mandate to rule

Deep Calls to Deep

- When we engage the ark/arc
- Focus fix our eyes on and begin to meditate
- Yod Hei Vav Hei think, speak, sing the names of God Lion Ox Eagle Man.
- Take your place to look into the manifest presence of God as the arc forms between wings of the cherubim.

Deep Calls to Deep

- Focus on the - **will of God** for today
- Father reveal your will for me today
- Father my desire is to come into agreement, resonate and be in harmony with your will today.
- My food is to do your will Father. I choose to take that manna into my heart as my source of supply for this day.
- Father I open my heart to you. Please write your desires on my heart

Deep Calls to Deep

- Father unveil the revelation of my destiny that the desires of my heart will draw me towards, so I will see your purposes around me
- Father I surrender my day to align my will with Your will.
- I bring this to You now give me specific revelation of anything I need to know.

Deep Calls to Deep

- Focus on being **in Him**, in His name in His authority, seeing from His perspective
- Yod Hei Shin Vav Hei see yourself in Him.
- Father I choose to step into You, to look out at my day and my circumstances from Your heavenly perspective.

Deep Calls to Deep

- I look out through the Lions' eyes (ox, eagle man) to see things and administer things from the kingly, prophetic, apostolic and priestly function.
- I speak kingly order into my life
- I prophesy
- I decree the vision

Deep Calls to Deep

- I look back into what was Your desire in eternity.
- I look back to where there was no sin, show me what I look like and feel like?
- Let me see, hear, feel and perceive the vast some of Your thoughts about me.
- Do this for each thing you carry in your heart

Deep Calls to Deep

- Reveal Your desires for me. Reveal what is written on my scroll for today.
- Father I look at what **was** to manifest that into what it **is** today to transform what **will be**
- What does my life my mountain my 7 mountains. ... church group ...? look like before in the beginning.

Deep Calls to Deep

- Cultivating **desire** in my heart
- Brood, incubate it
- Father I bring my mountain (personal, church, a person, etc) that which I carry within my heart to You. Show me Your perspective.
- Carry in our heart to have authority

Deep Calls to Deep

- Cultivating **desire** in my heart
- Brood, incubate it
- Think about it, focus my attention on it
- I meditate on what it would be like
- Day dream imagine

Deep Calls to Deep

- I am creating an expectation a hope
- I find out about it in word or in research
- I could look at others lives that model it
- I want it I need it I must have it
- I will do whatever it takes to have
- I am willing to pay the cost for it

Deep Calls to Deep

- Father I choose to receive the revelation of Your heart, Your thoughts into my spirit. As deep calls to deep.
- Show me what does it looks like, feels like to manifest this today?
- Show how this will outwork and help me fulfil my destiny

Deep Calls to Deep

- I choose to brood over my life my mountain freedom mountain. ... Freedom church ? to incubate it in my heart.
- Father let my desires become fulfilled as a tree of life to me.

Deep Calls to Deep

- I look into the end from the beginning
what does the journey look like?
Reveal it so I can declare and call it
forth.
- What does the next year etc. look like
from seeing your eternal purpose
- My desire is to manifest Your desires
in, through and around my life today.

Deep Calls to Deep

- Receiving a daily mandate
- I open my heart to receive Your mandate for today
- Show me what You are doing today.
- Show me what I am authorised to do today.
- I receive that mandate and take it into my heart I value it cherish it and surrender to it.

Deep Calls to Deep

- Administrating your mandate
- I take Aarons rod the sceptre of my authority and I step onto my mountain throne, my position of authority and kingdom government to administrate my mandate today.

Deep Calls to Deep

- I choose to frame my day in accordance with Your will and purpose.
- I declare blessing and favour around me today.
- I send out my angels to go before me to prepare and align kingdom connections in accordance with my mandate. Etc. Etc.

Deep Calls to Deep Framing

- What we are looking to do is take governmental authority. So to do that, you have to administer the promises of God.
- The alignment with your destiny and the mandates you have specifically for a day.
- Each of your governmental spheres, use the authority you have there and administer it.

Deep Calls to Deep Framing

- From your mountain you take positional authority.
- So you have creative power within the words that you speak from that position of government, to frame everything around your life all the circumstances of your life according the will and purpose of God.

Deep Calls to Deep Framing

- You have to know the will and purpose of God. You need to know what God's promises are
- You need to understand covenant, and understand what it is to be in the New Covenant
- What it is to be covered by the blood of Jesus; everything that happens when you exchange the old for the new at the cross.

Deep Calls to Deep Framing

- So I frame and shape the day I'm looking to have according to:
- God's promises,
- The covenant that I'm in and then,
- Out of the specific mandates and authorizations that I have on my seven mountain thrones and anything specifically for the day.

Deep Calls to Deep Framing

- I'm looking to bring the revelation of God's heart into my day
- Looking to see what He promised Adam and Eve
- He blessed them

Deep Calls to Deep Framing

- That blessing meant the empowerment to succeed according to the mandate that they were given.
- He blessed them and told them to be fruitful, to fill the earth, to subdue it and have dominion.
- So I have a very clear mandate in being a child and son of God to be able to administrate those things

Deep Calls to Deep Framing

- So I can declare and call things that “be not” in the natural realm according to what is God’s purpose in the spiritual realm so that the natural realm will align.
- Romans 4:17 God calls things that “be not” as if they are.
- He is speaking creatively, and in a sense that is really what faith is.

Deep Calls to Deep Framing

- Faith is the substance of things hoped for. So we declare the expectations, not wishes, because we are not wishful thinking.
- We are putting our hope in God's promises.
- So hope is the anchor that gives us security in the promises of God, aligned with his person, his character and his nature.

Deep Calls to Deep

- Names of God reveal his character nature
- El-shaddai – the almighty
- Jehovah-Tsisqenu -Lord my righteousness
- Jehovah-Jireh - Lord my provider
- Jehovah-Rapha - the Lord my healer
- Jehovah-Nissi - the Lord my banner
victory
- Jehovah-shalom - the Lord my peace
- Jehovah-shammah - the Lord is there

Deep Calls to Deep

- Jehovah M'kedesh Lord my sanctifier
- Jehovah-sabaoth - Lord of hosts
- Each of those names carries with it the promise that in relationship, that is who God is to me.
- So I can claim those promises.
- I live at rest and peace on the basis of those promises

Deep Calls to Deep Framing

- I speak out of the place of knowing that those things are a part of my relationship and inheritance as a son in the kingdom;
- But we have to subdue.
- It wasn't just "be fruitful and multiply"
- It was "and subdue and bring dominion."
- So that means that there is something that is in opposition to the promises of God.

Deep Calls to Deep Framing

- We know John 10:10. “The enemy wants to rob kill and destroy” but God wants to bring abundant life
- Abundance is obviously the blessing in that.
- So we have to deal with whatever opposition there is and bring the government of God into play.

Deep Calls to Deep Framing

- You very clearly have to know the truth.
- You can't go spouting parrot fashion words or promises.
- It's something you have to know that you know that you know, because the truth that you know will give you the freedom to operate in it.
