Deep Calls to Deep

- The Joshua generation will be given the mantle of government and investiture and succession will be over and enthronements will quickly take place.
- The forerunners have gone before they are already in governmental heavenly positions but must be ready.

Deep Calls to Deep

- When the 40 years has passed expect the light intensity to increase to such a level that the old orders will be exposed for what they are, man's best efforts.
- I will leave in ways that appear suddenly to take place but for many they have ignored the call to cross over for years.

Deep Calls to Deep

- Suddenly will only be the appearance to those who have followed and have been submitted under the old mountains.
- Long have I been calling to the sons of men to come but they would not.

Deep Calls to Deep

- The call will continue for 8 months in 2015 and then I will finally begin to leave the old order.
- Then the new sound of the new call to cross over and enter beyond the veil will go forth to those who have never imagined or thought.

Deep Calls to Deep

- Make ready the Joshua Generation for they must be ready to guide those who will be early responders and will become lost without the forerunners.
- The new landscape will be overwhelming without those who have spied out the land.

Deep Calls to Deep

- Son your heavenly governmental position will increase next year so you must become more governmental in your engagements.
- Son reorder everything to facilitate establishing government. In your heavenly chancellors role release and seal blueprints for government.

Deep Calls to Deep

- The affairs of the nations will be a high priority so government must be established for cities, regions, parallels.
- The map of the world will be rewritten and great shifts in the affairs of those new order governments will be the agenda of heaven.

Deep Calls to Deep

- As the sword of judgment falls on the religious systems of man, I will reveal the pure golden bride from amongst the ore.
- The seraphim are being prepared and the fiery swords already in place.

Deep Calls to Deep

- From the fire of true judgment the true Ekklessia will rise. I will reveal by fire and those who are willing to leave the old Moses systems behind will be the Joshua foundations of the new order.

Deep Calls to Deep

- The fire of My judgment will both remove the stumbling blocks and bring lawlessness into the light.
- I will reveal that which does not reflect heavens government and new mountain foundations will rise from the desolation of My departing.

Deep Calls to Deep

- Many cries of Ichabod, the glory has departed will go forth as I leave the old desolate just as I left the temple of old.
- I am once again ready to overturn the money changers tables of those who have turn My house into self serving businesses.

Deep Calls to Deep

- I have been preparing for 40 years as this generation has mostly ignored the call to prepare for the harvest.
- Now the final calls are being released in preparation for My verdict. Those who leave the old with Me will go deeper into the revelation of the supernatural heavenly engagements that are hallmark of the new order.

Deep Calls to Deep

- Those who do not embrace their heavenly positions of government beyond the veil of Jordan in their true inheritance will remain in the desolation of the wilderness.

Deep Calls to Deep

- In August I will begin to leave the institutions of the old earthly religious systems.
- My presence in the new order patterned after the blueprints of heavenly government will transition to glory.

Deep Calls to Deep

- I am calling the Joshua generation to follow Me out of the wilderness of the old order into true destiny as sons, invested with heavenly authority and ready prepared for enthronement.

Deep Calls to Deep

- For the new to be enthroned there must be a succession. The old must die for the new to be multiplied.
- Don't let loyalty to the old hinder you.
- Don't look back. You can not change the old from within it unless those who are leaders in the old are Joshua forerunners of the new.

Deep Calls to Deep

- Only remain in what still appears to be old if there are visionary apostolic leaders who have tasted beyond the veil and who have My heavenly blueprints to transition into the new order.

Deep Calls to Deep

- If there is no heavenly blueprint where you are then follow Me and I will lead you to the new orders that are being established those who are laying the foundations of the cities of refuge.

Deep Calls to Deep

- Only those who are prepared to engage heaven and invert the mountains in humility and become reflections can truly transition from old to new.
- Son you must focus on your role as heavenly chancellor to release the blueprints and support those in transition and open the revelation of the 12 laws and 12 chancellor's houses of Zion.

Deep Calls to Deep

- The mysteries so long hidden secrets are now being revealed. The myths so called will become true **ancient pathways** for My people to walk on again.
- The patterns of heaven will be unveiled so that My true government can bring dominion to the whole created order.

Deep Calls to Deep

- You have your sword, you will be one of My Instruments of judgement. The sword of truth will divide separate and call for decisions and choices to be made.

Deep Calls to Deep

- Swing the sword with love, honour and respect for many who are still in the valley of decision in the wilderness and siding with the Moses generation are yet to decide. Issue a call. Send out a proclamation.

Deep Calls to Deep

- Blow the silver trumpet and decree the new season. Consecrate yourselves for I am about to do great wonders in the heavenly realms and great shakings will take place in the atmosphere and on the earth.

Deep Calls to Deep

- Many will call it this and many that, but it is the birth pangs of the new order and the death rattle of the old.
- Creation itself will begin to shift in response to the revealing of heavenly government on the earth once again.

Deep Calls to Deep

- There will be schisms and divides on the maps of men but on the maps of heaven there will be great movement towards oneness and harmony for the affairs of the nations.
- Son your capacity will supernaturally increase as you fully embrace your role both in heaven and on earth.

Deep Calls to Deep

- I went to the temple the seraphim were really attentive and I saw their eyes. I took a bow and fired arrows at a map. North West and South East of North America
- Each arrow had a red cord attached to it formed a matrix of connections.
- I saw it overlaid with a pyramid pattern
NW to NE NW to SE to SW NE to SW

Deep Calls to Deep

- Lion roared calling me to release a new sound a new call. The old order will end and the new order must be ready to take responsibly.
- There are so many mountain ranges occupied by dragons and giants because of the failure of the Moses generation to cross into their heavenly authority. I saw ranges of mountains covering the globe.

Deep Calls to Deep

- I saw so many Mountains with 3 thrones on them waiting for Benches of 3 to rise up and take their places.
- So many who failed to answer the call of their destiny.
- So many too busy with ministry to become friends who have been working for Me in long over mandates.

Deep Calls to Deep

- I am releasing the call for Joshua's and Caleb's to arise and be the sound for the next generation to resonate with.
- I am calling Fathers and mothers to align their hearts with mine so I can turn the hearts of the children back to their heavenly destinies
- Son become the sound of the Lion roaring the new frequency that will cause a resonance to the place like never before.

Deep Calls to Deep

- You have accepted responsibility for 2 scrolls but there are more coming. You must be ready.
- The hills must be laid low and the valleys raised, the way must be made straight so there can be the highway of holiness that will lead to the ancient paths once again. The cherubim and the fiery swords must be embraced to access the way.

Deep Calls to Deep

- Look to the constellations for the signs of impending upheaval as the affairs of the nations are administered by the sons of God once more.
- The stars will release their light and glory to the sons of God once more. The resonance of their light and sound once again restored to divine order.

Deep Calls to Deep

- Announce it, herald it, blow the silver trumpet Ekklesia arising Ekklesia arising.
- Answering creations groan with the resonant frequencies of heaven on earth as sons arise to vibrate to the rhythm of the Fathers heart.

Deep Calls to Deep

- I see thrones on mountains unoccupied.
- I see authority usurped I see dragons and giants
- I see the everlasting doors closed.

Deep Calls to Deep

- I see portals opened but there is a battle in the atmosphere.
- There is a battle to release the culturally produced settlers who have come as far as they can.
- God's desire is to reawaken the pioneer spirit the spirit of adventure and enterprise.

Deep Calls to Deep

- There are new territories to occupy new boundaries to cross.
- The land has been occupied physically but not spiritually.
- God is raising up new spiritual pioneers who go will further and higher.
- God is calling for those who will embrace their eternal destinies.

Deep Calls to Deep

- Those who will be forerunners and mentors for the next generation.
- Will you answer the call

Deep Calls to Deep

- The kingdom of God is all about His heavenly government being reflected on earth in His manifested or revealed sons who are His heirs and coheirs and are therefore responsible for the restoration of the whole multi-dimensional created order.

Deep Calls to Deep

- This is a serious level of responsibility that if you look at the present situation of our planet it will overwhelm you.
- If you look at the present state of your regional and local government from a heavenly perspective it will even more overwhelm you.

Deep Calls to Deep

- There is no heavenly government invested with the authority to release the blueprints necessary for the cities of refuge to be established.
- You have plenty of earthly governments that are building edifices in the wilderness.

Deep Calls to Deep

- These mountains in the wilderness are living under and expressing severe oppression.
- Many of you have had to flee and are hearing the sound of heaven and are being led by the cloud to seek a new order.

Deep Calls to Deep

- There is a shaking that is coming that will truly reveal what represents heavens kingdom.
- God has chosen the Northwest to establish a heavenly pattern that will be replicated around the world.
- Why Northwest? Because the north gate is where the enemy has access.

Deep Calls to Deep

- Close the north gate by establishing heavenly government.
- That government is not going to be made up of the old Moses order but the order of Joshua.
- Nameless faceless ones with no earthly positions to protect that are recognised in heaven and will command the heavenly host, the angel armies.

Deep Calls to Deep

- I took a look into the heavenly realm of the kingdom of God over this region of the Northwest last night that I have not been able to see before I came.
- It is in chaos because the mountains and thrones have no invested lords kings or sons occupying those positions.
