- Have you seen your future destiny?
- John 5:19 Jesus constantly connected to His future

Quantum Vision – Resonance

- 1 John 1:5 This is the message we have heard from Him and announce to you, that **God is Light**, and in Him there is no darkness at all.
- John 1:1 In the beginning was the **Word**, and the Word was with God, and the Word was God.
- Eye 700x more sensitive than ear
- Eph 1:3 God has blessed us with every spiritual blessing in the **heavenly places** in Christ
- Eph 2:6 raised us up with Him, and **seated us** with Him in the heavenly places in Christ Jesus
- Heb 11:1 Now faith is the assurance of things **hoped** for, the conviction of things not seen.
- Rom 4:17 God... calls into being that which does not exist.
- You see what is not yet, and say it as if it is

Quantum Vision

- Heb 11:3 By faith we understand that the worlds were prepared by the word of God, so that **what is seen** was made out of the invisible.
- Eph 4:6 one **God** and Father of all who is over all and through all and **in all**.
- Col 1:16 For by Him all things were created, both in the heavens and on earth, visible and invisible, ¹⁷ He is **before** all things, and in Him all things hold together
- 2 Cor. 4:18 the things that are seen are transient, but the things that are unseen are eternal
- Matt 6:10 Kingdom come on earth **as it is** in heaven
- I AM – spiritual realm 20,000 x 10⁹ faster – **before**
- Heb 1:3 He upholds all things by the word of His power
- Grace is God's divine ability, the energy that holds everything together and that we can connect with

Quantum Vision

- Heb 11:3 the worlds were made out of the invisible.
- Are the subatomic and spiritual realms connected?
- All subatomic particles are made up of superstrings and are tiny doughnut shaped packets of energy (**grace**) that spin at a frequency – or sing as in a pitch
- Strings require a connection to unseen dimensions to exist – spiritual realms
- Eph 1:3 God... has blessed us with every **spiritual blessing** in the **heavenly places** in Christ
- Invisible blessings become visible as we see them
- Popping a qwiff – Quantum physics term

Quantum Vision

- Blessings are not yet tangible in this dimension because they exist only in a state of possibilities until someone **observes** them. Then, at that observation, the potential becomes a thing (substance) – a particle or a wave. This quantum wave collapse, caused by observation, is called **popping a qwiff**.
- You can see or observe a God qwiff (something God shows you [**before**] that is not yet experienced in this dimension) and, by observing or popping that qwiff, cause that potential to become your reality.
- Heb 11:1 (AMP) NOW FAITH is the assurance (the confirmation, the title deed) of the things [we] **hope** for, being the **proof of things** [we] do not see and the **conviction of their reality** [faith perceiving as real fact what is not yet revealed to the physical senses].
- John 5:19 The Son can do nothing of Himself, unless it is **something He sees** the Father doing

Quantum Vision

- Eph 1:3 ...every spiritual blessing in the heavenly places in Christ
- All possibilities exist as potential waves
- Parallel universes, multiverses – potentials
- 6 billion x 1000 choices per second potential choices (x10 for each agreement)
- Our free will choices create reality
- Connected to the “before” revelation to bring God’s will from the spiritual realm into natural realm
- Heaven invading earth – kingdom comes

Quantum Vision and Resonance

- We are spirit connected to the spiritual unseen realm
- Waves and particles of all matter blink in and out of existence by being observed
- We exist as Jesus observes us – “before” connection
- Spiritual realm exists above the speed of light
- We connect to spiritual realm 20,000 times each billionth of a second – Planck’s constant
- Spirit realm is reality, physical realm the shadow
- Jesus is outside of our time and calendar, looking in. He is observing. He is sustaining all things in this nanosecond (one billionth of a second) and is singing the frequencies or vibrations of your body.

Quantum Vision and Revelation

- When you see your future, you are getting information faster than the speed of light through a means of streaming superluminal particles.
- The barrier of light speed is bridged from this subluminal realm to the higher bandwidth of the superluminal realm by the Holy Spirit.
- DNA can cause disturbing patterns in a vacuum, thus producing magnetized wormholes!
- These are tunnel connections between spiritual and natural dimensions through which information can be transmitted outside of space and time.
- Zero Point Energy – maintaining and invading earth
- 1.071×10^{17} kilowatts per cubic meter

Quantum Vision and Prophecy

- Connected to the “before” spiritual realm
- Superluminal subatomic particle, called a tachyon. This particle moves faster than light!
- Einstein's equations proved omnipotence and omnipresence of God
- See the effect before the cause
- 2/3 of Bible got to mankind before the event or cause!
- All prophecy is the result of facts before the event.
- Visions and words of knowledge: seeing, knowing, getting information before the event.
