This is what the world is looking at.

Vision 2013

- Prophetic Word 31st December 2012
- Weigh & review
- What applies to you?
- What is God saying to you?
- How do you respond?
- Do you need to make any changes & adjustments to you thinking, feeling or acting?

Vision 2013

- It is time, it is time for a change in season, the old season will continue but a new season will be layered over it. The new season will be the demonstration of justice and judgment that comes from a baptism into the river of glory.

Vision 2013

- Father God. I am about to reveal myself like you have never known before. I am about to reveal the true nature of grace that reveals true justice and brings about true judgment. I am about to reveal the true nature of My heart.

Vision 2013

- I am God, I am God do you not realise the truth that I am God? A deeper revelation will be unveiled as you come as a body and stand before My mercy seat. Yes come and stand before the place of true judgment where the blood is the record of My dealings with man.

Vision 2013

- My will is about to be revealed and many will say “this and that cannot be of God” because they do not really know Me, they only know about Me. I am inviting you to come and stand before me where I can write a deeper revelation of My heart on the tablets of your hearts.

Vision 2013

- You have been invited now come through the place where justice and judgment met and where the blood stands recorded forever to the river of My glory. Immerse yourselves in Me, come deeper and deeper into Me and I will become more and more real to you, who I really am.

Vision 2013

- Your understanding and revelation has been so shallow, you have known a measure of grace from that river but there is so much more. I am about to reveal My true nature and justice and judgment will be meted out.

Vision 2013

- I am about to fill those shadows of heaven that are on earth with so much supernatural manifestations of My glory and power as a sign of My affirmation and authentication of My true house and My true people.

Vision 2013

- Many will reject me because they do not know Me and I will have to say depart from Me because I do not recognise you, I do not see heaven in this place. Ichabod the glory has departed, many will be like Samson who did not realise that My power had left. Ichabod will be in contrast to shekinah.as My glory will be the judging factor, so many will reject it because they never knew the real Me.

Vision 2013

- That is why you have been invited to know the real Me so that you can be forerunners of the glory presence. You will see angels on assignments amongst you and the cloud of witnesses will descend and start to appear. Mantles of glory soaked with oil will settle in your midst. You will have visitations from those in white linen who will testify to the presence of My glory.

Vision 2013

- You must all learn to stand in My presence and I will invite you to come to the judgment seat where My fiery pillar will judge your works and the wood, hay and straw will be consumed. I will give you new names and I will give you new identities and I will give you new commissions when the old scrolls have been judged and cleansed by fire.

Vision 2013

- Continue to be the living sacrifices that you must be but there are showers of blessings that I am going to manifest in your midst, in person. Get ready for the healing pool where healing mantles will be laid down like a pool. Get ready for miracles be expectant that there is going to be an increase in the supernatural manifestations of glory.

Vision 2013

- Your regional authority will spread out and government will be formed. Many wells will be re-dug and new wells will be added so that my walls of fire will start to join together. Your relationship links will strengthen although some links will be broken but new links will be forged.

Vision 2013

- Be very careful that you do not become weighed down and hindered by the circumstances but that you rise above them into the higher realms of heaven. I am going to give you access to higher courts and higher thrones. For many of you will be invested with new power and authority.

Vision 2013

- For some of you will need to go through deeper levels of succession and for others the time for enthronement is here. You must take your places, the old orders have to die so you can succeed and be enthroned at new and higher levels of power and authority.

Vision 2013

- For some dreams will begin to be fulfilled and for others your dreams will be revealed as mere hopes with no substance. Do not let this cause you to be discouraged and disillusioned but see it as the opportunity to have your true destinies revealed. Let go of the old to embrace the new.

Vision 2013

- Do not be earth bound step through the veils that are open to you by yielding to your destinies. New places in the realms of heaven will be open to you if you persevere through the fiery pillar of judgment.

Start to change your focus and see that all that I do in your midst is so you will be able to take it out.

Vision 2013

- The only walls I want you to have are my walls of fire around you. The walls of separation between church and community must be removed so that the light that I shine in your midst you will take out like torches ablaze, on fire, passionate for the lost and hurting.
