# Vision 2012 Keith Paul

- Journey towards **Destiny**
- Do not be distracted and this includes even by the good things that are happening in others. I will also bring you through victoriously. I Am with you and I will lift you above the circumstances that now face you. You will not collapse into defeat but I will cause you to triumph. Do not look at your current lack and do not allow it to dictate your future. I counsel you to evaluate the reality of your need only in light of My promise to provide. There are oppressing agents that will try to fix your focus on the needs only but I say, look to Me and My promises. I will open opportunities to you and provide for your every need. Look and see the door of opportunity before you. What is in your hand?

# Vision 2012 Keith Paul

- What have I given you? Then release these back to Me for I Am the God of the impossible. I Am Jehovah Jireh, the Provider of all your needs. Beware of deception for this is the defence the enemy uses to protect his position and his claims against you. Rise up in My authority and My truth. Repossess what has been stolen and declare the release of all you need. Spend time with Me, so you know My heart and what I have for you. Declarations are meant to be Spirit lead mandates that release My purposes which includes your provisions.

# Vision 2012 Keith Paul

- I have set My signet ring on your hand and I have given My authority to you. Just as I crushed the head of the serpent so you will walk on serpents and scorpions. None of these demonic agents will harm you as you walk with My authority. Do not be distracted or alarmed by troubling news for I Am in control even when the nations feel they are trying to cope with crisis. I Am your source, your help and your Friend. Trust Me for I will bless you and care for you. Come, rise up and walk with Me. Follow Me. Take My hand today and let Me lead you into your destiny.

# Vision 2012 Keith Paul

- All Things:

- My dear friend, I have come to you today to build you up in your most precious faith. I assure you with an absolute oath that I will do all things right in your life. All means so much and cost Me much. In love I speak to you today. All means : forgiveness for all sin, victory in every battle, provision for every need, guidance in every decision, comfort in every sorrow, strength in every weakness, healing for every sickness and power to overcome every enemy. All also means: wisdom to solve every mystery, love to bear every grievance, truth to overrule every lie, purity to silence all false accusation and authority to administrate all your affairs.

# Vision 2012 Keith Paul

- I assure you today that the Father will graciously give you all things. I press this precious truth into your heart today, for I Am coming with greater glory and greater measures of My Spirit. I Am taking you into deeper places so that I can saturate you with My Presence. Today's battles will fall away and you will have victory. Take My hand today and trust in Me. You are precious to Me and I will not fail you..

# Vision 2012 Bob Jones

- The warning is that things of epic proportions are about to take place, both from God and from the enemy. We must be confident in our heavenly Father's love towards us and know that no matter what happens on earth that He is good and in Him is no darkness nor shadow of turning. Though we might go through trials and tribulations, He is faithful to be with us and see us through. And when we reach the other side we will have a testimony of His goodness to share with others.

# Vision 2012 Bob Jones

- If we allow our flesh to lead, the enemy will have a good foothold in our lives. And we do not want this to happen! If we feel ourselves being pulled in my his lies, we must seek fellowship with those who are strong in the Lord. Its not time for a one man show. Satan's tactics is to get people alone, speak lies and fears into their lives and divert their eyes off of the Lord. Don't get caught in his snare!!!

# Vision 2012 Bob Jones

- "I'm not disappointed in you because of your failed expectations, for they were My opportunity to change your life for My purpose.
- "Your disappointments or expectations were stepping stones to My presence and now - I'm going to demand that you flush them and look to the future - not the past, for those who look to the past have no future! I now have My Spirit in many of My people."

# Vision 2012 Bob Jones

- God says, "Their spirit is clean and now I'm going to cleanse their soul, because I'm going to use their soul and their spirit to reveal My Kingdom. So now I begin a work of cleansing their soul, so their soul might be a partaker of My Divine Nature.
- "You're actually ready in the spirit. Now I'm preparing your soul, for I'm going to use both soul and spirit. And the soul is what I'm preparing.
- "I just want you to know that I'm not disappointed in you and I've brought you to the place where your future in Me shall be fruit."

# Vision 2012 Paul Keith Davis

- Isa 22:22 Key of David
- Rev 3:7 Holy & True Open & Shut
- True apostolic ministry released
- True governmental keys of kingdom authority
- Righteousness & Justice
- Acceleration of growth & maturity
- The mind of Christ will be released to true followers with a fresh vision, new anointing, and plenty of provision.

# Vision 2012 Paul Keith Davis

- We are in the middle of one of the greatest changes in history. These next eight years will be full of joy if the Church steps into authority and God's righteous people are elected
- We will see an entirely new apostolic government in place by 2012.

# Vision 2012 Paul Keith Davis

- These apostles will be men and women like Joshua - leaders that bring the rest into the Promised Land. These apostles will not be appointed by man, but by God. In fact, many of them will look extremely different from what we would call "apostolic." This new breed of apostolic order will not fear losing their reputation nor be concerned about what the newspapers are saying, but rather, they will speak what the real news is.

# Vision 2012 Paul Keith Davis

- At this time, we will see the Church being put together and growing into a habitation for the Spirit of God:  
"...in whom the whole building, being fitted together, is growing into a holy temple in the Lord, in whom you also are being built together into a dwelling of God in the Spirit"  
(Ephesians 2:21-22).

# Vision 2012 Paul Keith Davis

- In this season the Lord is restoring true apostles in the earth. As this apostolic government comes into view and is established, the Lord is releasing new keys - governmental keys of Kingdom authority that will be matched by no other generation.

# Vision 2012 Paul Keith Davis

- Creative miracles, signs, and wonders will be witnessed in unparalleled ways as the Lord firmly establishes and confirms this new government. It will look nothing like what we've witnessed or heard of to date. There will be upheavals and shakings in the earth that will confirm what is happening in the spiritual - the natural proclaiming the spiritual.

# Vision 2012 Paul Keith Davis

- What the Lord is about to do is far superior to anything He has done before. Creative miracles - arms, legs, body parts, and organs will come down from Heaven. There will be no ebb - no end! Your source is in Heaven, and this Heavenly warehouse is opening. Body parts will be issued to the Body, but there needs to be a government to do this. This will not be about a certain leader or leaders in particular, but an entire Church government and Body that will function in unity. This will be miraculous in itself.

# Vision 2012 Melissa Flores

- Mantles of Glory
- There is a mantle falling that cannot be imitated. This mantle is not known for its design, but for its singular Designer, *the Lord*. Only those who know Jesus as Lord can be fitted for this glory mantle.
- The Lordship of Jesus produces glory. The glory is a trademark of His, attesting His design or purpose. There is no glory wherever Jesus has not been made Lord. Many want His glory, but refuse to submit their hearts, ambitions, wallets, desires, families, and schedules to Him. The glory does not manifest haphazardly or as a reward for one's performance.

# Vision 2012 Melissa Flores

- The glory is a garment given to the one who lays it all down in the fitting room of Divine relationship. Those who serve as ministers unto God are fitted like Aaron in Exodus 28:2. *“And you shall make holy garments for Aaron your brother for glory and for beauty.”*
- This garment is not cheaply made. Every stitch and seam must withstand the coming persecution and affliction that glory brings. Therefore I am *“encouraging, comforting and urging you to live lives worthy of God, who calls you into his kingdom and glory,”* 1 Thessalonians 2:12.

# Vision 2012 Melissa Flores

- To be worthy of God one must surrender to Christ as Lord. The carnal man must be dethroned as he does not qualify for this Divine mantle. As Jesus said in
- Matthew 6:24, "No one can serve two masters. Either he will hate the one and love the other, or he will be devoted to the one and despise the other."

# Vision 2012 Melissa Flores

- To ignore the voice of Spirit, or delay obedience to His Word, is the same as denying the Lordship of Christ. How often I have said, "Tomorrow Lord, I'll have the strength to fulfil your desire." Herein lies the blame for the glory-void life. My strength is my glory (the knock off version). His glory is available to the one who is willing to go it in the power of His might, His mantle (the authentic version).

# Vision 2012 Melissa Flores

- 2012 will be the year of Jesus as Powerful Master of His Church. He is establishing His Lordship in the lives of those who are willing to lay down their opinions and ambitions. As Lord, He requires of us two things. We must love God unwaveringly, and love one another as we love ourselves (Mark 12:30-31). Love is the method of surrender, when choosing Christ as Lord. This year, love will be revealed, cultivated, tested and refined. Those who do not love, do not serve. Those who do not serve, are their own masters – and must clothe themselves. Servants of God are fitted, however, by their Lord, with mantles of glory.
- Consider this post as your invitation to the fitting room.

# Vision 2012 Paul Keith Davis

- Nevertheless, change is upon us. We believe a seven-year transition or overlap season is now coming to an end that has taken us from the leadership identified according to Moses into the leadership of Joshua.
- Joshua – The Overcoming Anointing
- The 120 years of spiritual activity from 1885-2005 functioned in the order of Moses. Clearly, Moses was one of the greatest men of God who ever lived. His intimate friendship with the Lord set a standard we aspire to today. Even so, the totality of his original mandate was not fully achieved in his lifetime.

# Vision 2012 Paul Keith Davis

- For the 21st century generation to cross over in a Joshua anointing, it will likewise require God's great grace for walking intimately with Him, along with a thorough understanding of the lessons learned from past achievements and failures. *Hebrews 13:7-8* declares,
- 'Remember those who led you, who spoke the word of God to you; and considering the result of their conduct, imitate their faith. Jesus Christ is the same yesterday and today and forever.'

# Vision 2012 Paul Keith Davis

- 2012 and beyond will be a season of separation for sanctification and connection for preparation. God will lead His people into an intense time of preparing for the coming season of devastating circumstances in the world and glorious spiritual life in Him. The kingdom of God that has been formed within us will manifest under cover from the world in the most precious spiritual gatherings we have ever known. In these God connected groups and gatherings, the manifest presence of God will lovingly bond together and prepare His people to endure the hard times immediately ahead and to eventually plant the kingdom of God solidly into the entire world.

# Vision 2012 Paul Keith Davis

- Beyond the season of devastation, in another season to come, the fullness that is developing under cover will be released into the world. The clearing and the deep ploughing of the land of this world will leave little to none of the previous world order and fully prepare the soil of this world to receive the seed of the kingdom planted by the prepared people of God. The Bride City of God will become a reality on earth.

# Vision 2012

- I believe the Lord by His Spirit has spoken to me concerning the year 2012 and what we as His people should be made aware of as a new age dawns in history and alignment occurs in the world to bring fulfilment to His word concerning the end of the church age.

# Vision 2012

- 2012 is a paradigmatic year as a great shift occurs in every aspect of present and future existence. It is the year of two governments. What the Lord has shown me concerning this is that we will see the glorification of His government, the government of His Kingdom in the earth, and the rise of a clear and defined world government that is weak and frail, but has propped itself as a necessary rule for the continued economical, social and political prosperity of humanity.

# Vision 2012

- Those in the church must understand this season and submit to the adjustment of God as proper order is reintroduced for the governmental function of the church to exist for the advancement of His Kingdom and the ministry of the gospel. This will be a time of great harvest into the true Church and prosperity for His people despite the on going and progressive economical deterioration around the world.

# Vision 2012

- Concerning the international scene: We will see elevated activity globally in the collapse of governments as more civil unrest breaks out due to corrupt leadership and weakened economies. This will force the hand of international alliances and organizations to entertain a global solution to the expedited erosion of autonomous political and economic systems. Great crises will flood continents as creation itself begins to reel in the darkness that has covered it. This will manifest as greater cataclysmic events happen in more populated regions of the world.

# Vision 2012 Doug Addison

- “[2012] This is going to be a year for the best of times for those who walk this way [following the Wisdom of the Holy Spirit versus our own intellect], and the worst of times for those trying to figure out what to do.
- You don't have to figure out anything. You're not going to be able to ... He's waiting for sons and daughters to begin to talk to Him, so He can reveal the future to you.

# Vision 2012 Doug Addison

- One of the first things He'll tell you is to quit looking back, you don't have any past. Look to today and tomorrow. Rejoice in your past cause it's got you where you are today. But look to what He says for you to do today. If He's not telling you to do anything, you've got a day off. But if He begins to impress you to do some things, then be quick to hear and quick to obey. "

# Vision 2012 Doug Addison

- We have been in a strategic time in which God is continuing to realign things that will bring about amazing results on earth and in our lives. If you have been following the series of prophetic words that God has given me this year, I have been talking about how God is bringing justice and repaying people for all that was lost, stolen, or cut short during the past nine years (from 2002–2011).

# Vision 2012 Doug Addison

- God spoke to me that the enemy has overplayed his hand against us and that if we would ask Him to, He will bring repayment. There is not a time limit on this prophetic word, because God is outside of time, but I highly recommend that you continue to ask God to repay all that you have lost. Your repayment might come to you in various forms and increments. So watch for things like new favour, unexpected money, raises, promotions, restored relationships, new spiritual gifts and God's power in your life.

# Vision 2012 Doug Addison

- God is rearranging things, bringing new angelic assignments and lining things up for a fresh new start in January 2012.
- There will be new inventions and business strategies released from Heaven. Some people will be shown how to make a million dollars overnight. Business partnerships will be formed to release finances for Kingdom projects.

# Vision 2012 Sarah Rowlinson

- 2012, I believe is the year of PRESSURE AND GLORY.
- Isaiah 60:1-2 "Arise and shine, for your light has come, and the glory of the Lord rises upon you. See darkness covers the Earth and the darkness is over the people, but the Lord rises upon you and his glory appears over you."
- 2012 see the opportunity for the most unprecedented release of the Lord's glory and presence in the lives of God's people. The economic pressures, and pressures within the world systems, are creating an opportunity for the Lord's people to make a transition out of their flesh to a higher walk in the Spirit. As pressure on the flesh will increase this year.

# Vision 2012 Sarah Rowlinson

- The Lord's intention is that the pressure causes His people to lean on Him hard, and be strengthened and equipped to handle and receive great outpouring of His Glory, His power and His presence.
- In this outpouring we will also see a real release of strategic direction – plans and directives from heaven – that are designed to impact the world.

# Vision 2012 Sarah Rowlinson

- The Lord is expressing His desire to release a revelatory realm that allows people to experientially encounter Him and obtain a vision of destiny and the “hope of our calling” which dispels hopelessness, enlarges our heart and increases our capacity for God
- Spiritual vision from the revelatory realm of Heaven provides hope derived by a revelation of our calling and destiny; hope dispels hopelessness. That is the promise of Ephesians 1:17-18.
